Day sponsored by the O'Neill Lions HOT WEATHER REACHES Club and paid for by the business and professional men of O'Neill as well as members of the Lions Club.

The day was a success from early morning to late at night. The morning was not hot; the sky was overcast part of the time with a few clouds that indicated that a shower might be expected during the day. siderably Monday.

Promptly at one o'clock the melon cutters began dispensing melons in a double stand sixty feet long that had been erected east of the First National Bank. During the four hours that followed, 934 melons were out Dear Sir: and passed over the counters; the melons were large and sweet; many you and hope you will do me a favor. people were heard to say that the melons were the best they had tasted of your town, died at the Sister's in years.
