SECRETS OF THE WENDELS HELD BY O'NEILL LADIES

The Denver Post of a recent issue carried the pictures of Mrs. Lewis Ward and Miss Catherine Hynes connected with a story of the famous Wendel fortune of 100 million dollars. The Post article says:

"Secrets of the Wendels are kept inviolate by Miss Catherine Hynes (left) and Mrs. Lewis Ward, of O'Neill, Neb., who, although they were intimate with the household of the Wendel family of New York, refuse to reveal domestic glimpses of millionaire home life. Miss Hynes was employed thirty years by the Wendels, who left a 100-million dollar fortune."

DR. PRITCHARD, BONESTEEL, INJURED IN AUTO ACCIDENT

Dr. Pritchard, of Bonesteel, South Dakota, was quite seriously injured and Mrs. Pritchard suffered sprains and bruises when their sedan was wrecked by a trailer of an approaching car that became loosened from the on-coming car and crashed into his car; Dr. and Mrs. Pritchard were brought to O'Neill where they were given first aid and accompanied to Spencer, Nebraska, by Dr. Brown. They were taken to Spencer in the Biglin ambulance.

We were unable to learn to whom the trailer belonged that crashed into the Pritchard car.

ALVIN MILLAGE PLEADS GUILTY TO HOG THEFT

Alvin Millage, quite well known to people in this county, was arrested with Mrs. Millage and a partner, in Sioux City, a short time ago on a charge of stealing a new truck in Sioux City and then stealing eighteen hogs of the American Serum Co., of Sioux City; the hogs were taken to Omaha and sold in the name of Fred Allen; the fellow who sold the hogs claimed that the truck carried a Holt county license plate of a number that was registered to a party at Stuart, Nebraska, which was learned when an investigation was made by a deputy sheriff and a state officer who came here from Sioux City to check up on the sale of the hogs.

The fact that some part of the engine of the truck burned out, apparently was the cause of capturing Millage and his pal; it seems that Millage and his wife pulled the truck away from the stock yards with a Buick car; parties obtained a good description of both of them and when the theft was discovered the description was furnished the state men; state men came to Holt county and gave Deputy Sheriff Bergstrom this description; Deputy Bergstrom told them that Mr. and Mrs. Millage were perhaps the parties they were looking for; Millage and a fellow by the name of James Thomas were taken into custody and Millage and his pal, who might have been Thomas, confessed. Millage was given a sentence of five years in the state penitentiary at Anamosa, Iowa, to which place he will be taken as soon as he serves a ninety day sentence in the Woodbury county, Iowa jail, on a liquor charge. His pal was returned to the state penitentiary at Jefferson City, Missouri, from which place he had escaped.

NEW DANCE PAVILION AT HIGHWAY INTERSECTION

Tom Jordan, of New York City, a brother of R. L. Jordan of this city, has acquired a two and one-half acre tract of ground southwest of the intersection of Highways Nos. 20 and 8, two miles northwest of O'Neill, where he has started the erection of a dance pavilion which will be 81 feet in diameter; it will be built circular and when completed will be the largest in this part of the state. The floors will be of solid maple and will contain approximately 46,000 feet of lumber.

Mr. Jordan tells us that he expects to have the building complete and ready to open with Red Wilson's band some time during the latter part of June.

Arrangements are being made to have a deputy sheriff on the grounds at all times when dances are in progress and every effort will be made to preserve law and order.

The grounds will be electric lighted with a special wire from the substation. There will be a flood light covering the entire plot so that parking can be easily made on the premises.

A building of this kind adjacent to O'Neill will be quite an asset to the community and will be available for the handling of large crowds. Mr. Jordan should receive the congratulation of the people of O'Neill for erecting such a building here.

The Seth Noble Lumber yard have the contract for the erection of the building.

The grounds will be landscaped and beautified as quickly as possible after the completion of the pavilion.
