

Baby's off to slumberland

One of Mother's most important duties is to see that blankets, nighties, boots, diapers and all the other clothing that touches baby's tender skin are kept not only soft and dainty but unquestionably clean.

Such royal raiment should be laundered at home—in a Maytag! Then Mother can be sure that all the precious little bits of cotton, wool and silk are washed with hand gentleness, hygienically clean.

For baby's sake, and your own PHONE for a trial washing or ironing or both. If the Maytag doesn't sell itself, don't keep it. Divided payments you'll never miss.
