Tough on the Wild Cat.

Two hunters who had chased a wild cat to a clearing were terrified to see the beast jump through the window of a cabin from which the sound of a woman's voice had just been heard.

Outside, apparently unperturbed, sat the husband.

"Is your wife in there?" yelled one of the hunters.

"Yeah."

"Good heavens, man, get busy! A wild cat just jumped through the window!"

"Well, let him get out the best way he can. I got no use for the critters, and danged if I'm goin' to help him."

We Believe This One.

A Scotchman lay dying in a London hospital and the doctor told the nurse to give him anything he wanted. She asked him what he would like and he said: "I would like to hear the Bagpipes afore I dee." A piper visited the ward and played a tune. The Scotchman recovered but all the other patients died.

Don't take your worries to bed with you; you need all the sleep you can get to dispose of them tomorrow.

Lecturer: "Can any of you girls tell me what makes the Tower of Pisa lean?"

Stout Student: "I'm sure I don't know, or I'd take some of it myself."

Lecturer: "Allow me before I close to repeat the words of the immortal Webster—"

Farmer Podsnap: "Lan' sakes Maria, let's git out o' here. He's a-goin' ter start in on the dictionary."
