## O'NEILL BUSINESS MEN AGREE TO TERMS OF N. R. A.

### Organization Formed and Code Adopted at Friday and Monday Meetings.

At the request of Mayor C. E. Stout the business men of the city met at the K. C. Hall last Friday evening for the purpose of discussing the new business code as promulgated by President Roosevelt and to take such steps as seemed necessary to put the code into effect in this city.

The meeting was called to order by Mayor Stout and he requested D. H. Cronin to act as chairman of the meeting and Pete Todson as secretary. At that time there was but one copy of the code in the city and W. J. Hammond was requested by the chairman to read the code for the benefit of the business men present.

At the conclusion of the reading of the code a motion was made that the chair appoint a committee of five to meet and promulgate rules and regulations for the conduct of the various lines of business in the city, the members of the committee to talk over the hours of closing, etc., with the various business men of the city. The motion prevailed and the chairman appointed the following as members of the committee: W. J. Hammond, chairman; Pete Todson, J. B. Mellor, R. R. Morrison and Mrs. F. D. McMillan. The meeting then adjourned to meet last Monday evening at 8:30 o'clock.

The Monday night meeting was very largely attended and the attendance was 100 per cent for the support of the President and the N. R. A.

At this meeting the committee, appointed at the former meeting, made their report and it was to the effect that practically all the lines of business of the city had agreed to subscribe to the code and obey the rules set down as to the number of hours their stores would remain open for business. It was then moved and seconded that the various lines of business would remain open the hours they had agreed upon, and that there would be no Sunday opening, except drug stores, filling stations, hotels and restaurants, which motion was adopted.

The various stores of the city will be open, commencing Tuesday, August 1 from 8:00 A. M. to 6:00 P. M. and from 8:00 A. M. to 9:00 P. M. on Saturdays. This includes dry goods and clothing stores, grocery stores, bake shops, radio and electric shops, cream stations and hardware stores.

Lumber and coal yards will be open from 8 to 6 every week day.

Furniture and implement stores from 8 to 6 every week day.

Harness and shoe shops will be open from 8 to 8 every day and from 8 to 10 on Saturdays.

Barber shops will be open every day from 8 to 6:30 and on Saturday from 8 to 10 o'clock.

Restaurants will be open from 6:00 A. M. to 12 midnight every day.

Filling stations from 7:00 A. M. to 9:00 P. M. every day in the week, including Sundays.

Frank Biglin went down to Sioux City last Tuesday morning where he attended a meeting of the furniture dealers of this section and western Iowa, where the code for the conduct of their business under the program promulgated by the president was discussed. Nothing definite was agreed upon but substantial progress was made in the perfection of the code for the conduct of their business. Bobbie Biglin, who had been attending the Exposition at Chicago for the past two weeks met him in Sioux City and accompanied him home. Bobbie had a wonderful time on his trip and saw many wonderful and interesting sights in the Windy City.

Rev. H. D. Johnson, accompanied by the party of Boy Scouts who went to the exposition at Chicago with him a couple of weeks ago, returned home last Saturday afternoon. They all had a wonderful time, the boys especially being loud in their praise of the wonders of the trip.

Mr. and Mrs. Bernard Mathews and Mrs. Mathew's brother, James, left last Saturday evening for Hot Springs, South Dakota, being called there by the serious illness of Mr. Mathews' sister, Mrs. Albert Williams. O'Neill relatives received word last Tuesday that she was much improved and that they would probably be home the latter part of the week.

The weekly Women's Day was held at the Country Club last Thursday with a large crowd waiting for the signal to tee off. They played two ball foursomes, and after all scores had been turned in, Miss Nancy Dickson and Miss Louise O'Donnell, as partners, were tied with Miss Anna O'Donnell and Miss Geraldine Cronin. This necessitated a play-off and Miss O'Donnell and Miss Cronin won the play-off.

## ASK BOARD MAKE NO FAIR APPROPRIATION

At the regular meeting of the Holt County Economy League, held in this city last Saturday afternoon the following resolution was unanimously adopted and copies ordered sent to the members of the Holt County Board of Supervisors and the officers of the Holt County Agricultural Society:

Resolved, That in consideration of the present condition of Holt county finances, in greatly reduced ability of the taxpayers to pay taxes at the present time, and in view of the present unfavorable crop conditions, we respectfully request the Holt County Agricultural Society to not ask for an appropriation for the purpose of holding a county fair. An be it further

Resolved, That we respectfully request the honorable Board of Holt county to make no appropriation for this year, for a county fair, for the reasons above stated.

George Bressler, President.  
Frank Schmidt, Vice president.  
Martin Conway, Secretary.  
Committee.

Mr. and Mrs. Lawrence Chapman came up from Omaha last Saturday afternoon for a short visit at the home of his mother, Mrs. Lewis Chapman. They returned home last Sunday afternoon and were accompanied to Omaha by Mrs. Chapman, who made her fall purchases of goods for her store. She returned home Wednesday evening.

When M. A. Whaley was coming to town last Tuesday morning a dove went through the windshield of his car, smashing the windshield to pieces, but Mr. Whaley very luckily escaped with only a small cut on one of his hands. Mr. Whaley says that he was traveling about fifty miles per hour when it happened and he considers himself lucky that he escaped without more serious injury.

The petition to the city council, circulated and quite liberally signed, last week, was filed with the city clerk at 9:30 on August 1st. The city council met that evening, but only routine business was performed. Among the ordinances passed was one providing for the sale of 3.2 beer in the city. As the law does not go into effect until midnight of August 9th the city council took no action upon the applications for beer licenses or the protests filed against them. After the law becomes effective the council will hold a meeting when the matter of granting beer licenses will be taken up and also the protest that has been filed against the licensing of beer parlors. This meeting will probably not be held until next Thursday, August 10th.

C. P. Hancock, who had been an employee of the O'Neill National Bank for the past twenty years or more, serving as bookkeeper, then cashier and later as vice president, tendered his resignation the latter part of last week and retired from the bank. Mr. Hancock will join his son, Charles, and they will open an insurance and real estate office in the old Nebraska State Bank building. Charles Hancock has been engaged in the real estate business for the past two years and has a good sized list of O'Neill rental property under his direction, as well as a large number of farms throughout the county. With business on the up grade there will probably be quite a little real estate business during the next few years and the new firm expects to secure a part of the coming business.

Tuesday, August 1st, the O'Neill Country Club Kitten Ball team crossed bats with the Butte, Nebr., players who had a large following, the O'Neill Club winning by a score of 5 to 4. The line-up for O'Neill: Batteries, Sauters and Tuor; Roy Griffin, 1stb; Harry Reardon, 2ndb; Bill Wehl, 3rdb; Chas. Bradt, ss; Max Golden, rover; Ed. O'Donnell, lf; Hugh Birmingham, cf; Dale Tressler, rf.

We are unable to give the Butte line-up as they failed to leave their names on the score sheet.

## HUSE MEETS WITH RELIEF COMMITTEE

Gene Huse, of Norfolk, a member of the presidents state relief committee for the state of Nebraska, was in the city last Tuesday afternoon visiting with Holt county members of the relief committee. The Holt county members are: John Sullivan and George A. Miles, O'Neill, and Dr. W. H. Briggs, Ewing.

The meeting was held at the court house and several members of the various township relief committees were also in attendance, including Judge R. R. Dickson, who is the chief relief worker for the county and who appoints the various workers in the several precincts of the county.

Mr. Huse explained the working of the federal relief plans to the Holt county members of the committee and much progress was made at the meeting toward straightening out the various obstacles that appeared in the way of the committee in obtaining the federal relief for the worthy of this county, and the members are of the opinion that things will go much smoother in that work from now on, owing to the fact that the committee has a better knowledge of the workings of the relief program.

Miss Meta and Master Robert Cliff, of Long Pine, returned to their home in Long Pine Sunday after spending a week visiting Mr. and Mrs. Wil Gatz.

Miss Bernadine Protivinsky returned Monday from St. Francis, South Dakota where she has been visiting the past week with Miss Ruth Scott.

Master Jimmie Herre returned Sunday from Fremont where he has been visiting his grandparents, Mr. and Mrs. R. M. Herre, for the past month.

The Alumnae of St. Mary's entertained the Sisters at their annual picnic Wednesday. The picnic this year was held at Andy Clark's.

Mr. and Mrs. C. H. Bratt are the proud parents of a nine and a half pound son, who took up his residence with them last Tuesday morning.

Mr. and Mrs. Hans Egger went down to Columbus Sunday morning to spend a few days visiting relatives and friends. They returned Wednesday morning.

Mr. and Mrs. J. McMurphy and daughter, Margaret, of Wayne, and Mr. and Mrs. Leo McMurphy, of Schenectady, New York, arrived Wednesday morning for a visit at the home of Anton Toy.

Walter Warner expects to leave the latter part of the week for Buffalo county, where he has taken a contract to cover the west half of that county for a medicine company. His family will remain here until fall and in the meantime he will be looking for a suitable town in which to establish his residence in the territory he covers.

## MRS. GARRETT JANZING

Mrs. Garrett Janzing died at her home northwest of this city last Saturday afternoon at 1:10, after an illness of several months of cancer, at the age of 58 years, seven months and one day.

Mary Schoenle was born at Brooklyn, N.Y., on December 30, 1874. When she was a young girl her parents moved to Iowa, where she grew to womanhood. On June 4, 1912, she was united in marriage to Garrett Janzing, at Omaha, and came to Holt county with her husband and made her home on the farm northwest of this city, since that time, except for a few years when Mr. Janzing was engaged in business at Emmet.

Mrs. Janzing had been in poor health for several months. Last spring her husband accompanied her to Rochester, Minn., where she was placed under the care of the experts at the Clinic there. For a couple of weeks she appeared to feel better, then gradually began to sink and the physicians there notified her husband that there was no hope for her recovery, and she was brought back home to spend her declining days among her loved ones.

Her husband and three stepchildren, two daughters and one son, are left to mourn the passing of a kind, loving and devoted wife and mother.

Mrs. Janzing was a very pleasant and agreeable woman and had a host of friends in Emmet and vicinity, where she was well known to every resident and generally loved and admired by all for her agreeable and pleasing personality and charming manners, and she will be sorely missed by a large circle of friends.

The funeral was held at the Catholic church at Emmet last Monday morning at 9:30, Rev. M. F. Bryne officiating, and burial in Calvary cemetery in this city. The funeral was very largely attended, attesting to the esteem in which the deceased was held by the people of this section of the county. The Frontier joins the many friends of the family in tendering its sympathy to the sorrowing relatives and friends.

## ALONG FOURTH AND DOUGLAS

By the Rounders

Rumor has it that Tillie Van Winkle arrived on time at her place of business last week. We refuse to corroborate this absurd fantasy.

We understand that a few of the sub-debs from the "fast set" have deserted the "Old Guard" in favor of the boys from the back woods, viz.—Inman and Page.

The up and coming young Movie Operator at the Royal Theatre was seen heckling about the price of some mounted ice at Herre's jewelry establishment this week. Tsk! Tsk!

The pugilistic encounters at the popular Saturday night resort have decreased considerably since the introduction of a two foot section of gas pipe in the hands of the "local discourager."

The handsome young assistant manager of the J. C. Penney Co. goes on the forty hour week today. Watch him get in his overtime!

By the way, will some kind reader please send us the number of carpenters and plumbers on the local fire department.

The Four Engineers who have caused all the feminine heart flutters among the younger set, left town early this week.

The right hand man on the "Phillips 66" truck has transferred his residence from Atkinson to O'Neill again. Welcome back Jimmy!

Has anyone ever discovered the identity of the young "man-about-town" who attended the Hagensick fire in a pair of Munsing-Wear shorts? Address any information to this column.

Fritz Welsh has been in Burwell on business (?) for the past week.

O'Neill friends are in receipt of wedding announcements announcing the wedding in Omaha on Monday, July 31, of Maurice Downey to Miss Mildred Belvac. Mr. Downey is a brother of Lee and Sumner Downey of this city and was born and raised in this city. He has been living in Omaha for several years, being employed as a photographer on the World-Herald staff. His many O'Neill friends tender congratulations and wish for him and his bride many years of wedded bliss.

## COUNTY DRENCHED TUESDAY NIGHT BY HEAVY DOWNPOUR

### Heavy Rains Fall, With A Total of Six Inches Reported At Emmet.

After three days of torrid, sweltering heat and one fairly cool day, a drenching rain visited this section of the state last Tuesday evening, bringing joy to the hearts of all the residents of this section of the state and life to many partly parched corn fields. The rainfall in this city, as measured by Weather Observer Bowen, amounted to 3.28 inches, the heaviest rain that has fallen here for several years.

At Atkinson the rainfall amounted to 2.27 inches and about 1.50 inches at Stuart. At Emmet the rainfall was measured at 6 inches; north of this city, in the vicinity of Tom Donoho's the rainfall is said to have equaled 6 inches, if not more. Part of the highway was washed out on the east side of his place and a gang of men were busy getting it in shape for travel yesterday and last evening.

In the Joy neighborhood the rainfall amount to 5 1/2 inches; in fact old residents of that section of the county say it was the heaviest rainfall in that section of the county for over twenty years. It is said that out in this section of the county, some hay stacks that were on the bottoms, were washed away by the flood.

Ray Lienhart was up from Chambers Wednesday and he said he had 2 inches of rain at his place last Monday evening and four inches on Tuesday evening and that everything was fine in that section of the county. The entire southern part of the county had a rainfall in excess of three inches.

James Carney was down from Emmet last Wednesday morning. Jim is quite a kiddier and, in discussing the rain, he said "it was tough on the little nubbins." "Why?" asked a business man who was feeling very happy over the rain. "It will make big ears out of them," said Jim. Rain fell so heavy near Emmet that the highway was covered with water, about a mile west of Emmet. It was a great rain and it could not have come at a more opportune time for the corn crop in this section of the state.

Last Friday the thermometer registered 102; Saturday it climbed to 107, one of the hottest days for years and there was a hot wind blowing, that would not have taken very long to put the corn crop past redemption. Sunday it registered 104 and Monday it was cool most of the day and then the deluge Tuesday evening. It has been fairly cool since and from present indications we will have more moisture before the weather clears up.

Mrs. Lewis Chapman received word this morning that her daughter, and her husband, Mr. and Mrs. C. V. Ulbrick, and Mr. Ulbrick's mother, were in a serious auto accident near Los Angeles last Monday. The senior Mrs. Ulbrick was seriously injured, while Mr. and Mrs. Ulbrick were both badly bruised and cut, but no serious injury will result therefrom. The accident resulted from another car getting out of the control of the driver and crashing into the car driven by Mr. Ulbrick causing it to upset and roll over a couple of times. Both of the cars were badly damaged.

D. H. Cronin drove down to Nebraska City last Saturday morning, returning Monday afternoon and bringing back Mrs. Cronin and Marjorie and Richard, who had been visiting relatives there for the past eight weeks. There is a splendid corn crop all over the eastern part of the state, as we observed on our trip, but in most of the localities the crop is in need of a good soaker. Later—Most of the corn fields received the soaker Tuesday night.

Last Friday, July 28th, the O'Neill Country Club Kitten Ball team played the O'Neill Town team, the Country Club boys winning by a score of 9 to 7.
