## **Economic Highlights**

Opposition to the Administration, which has been scattered, weak and ineffective during the past two years, is gaining both involume and in strength. Organizations, carrying prominent names on their letterheads, are springing up with the purpose of combatting alleged growth of bureaucracy.

Newest and most important of these organizations is the American Liberty being presented by exponents on both League. It has two announced purfor the rights of persons and prop- Service of Lincoln. erty as a fundamental principle of constitutional government; and to teach the duty of government to encourage and protect individual and one who can read between the lines drive by car, people here can get all age at beer taverns. principles.

What makes the League more than ordinarily important is the fact that its principal sponsors are both exdemocratic presidential nominees-Alfred E. Smith and John W. Davis. Shouse, a super-organizer and puband out of politics. Mr. Davis is one of the nation's most distinguished conservatives, a man of the highest "dry." ability and integrity.

ship applications are flowing into the President Roosevelt, asked about it by endum on prohibition. reporters, gave an opinion on the sponsibilities as well.

November elections are over as strategists think it would be waste effort to fall will do that job." start aggressive action until next mental principle is at issue, and it's line firmly in the second dry war." going to be a great fight.

Hope of a seasonal upturn after Labor trol used by the various wet states. Day has offered some encouragement to the stock market, in spite of the fact that no evidence pointing to a Nebraska, in the opinion of the Neations has been forthcoming.

faith is felt in the new federal housing beer fans and brewers to vote dry and administration as a busness reviver. that their vote, plus the dry vote, "will The law authorizing this body was bury repeal in Nebraska, Nov. 6, as it passed by the last Congress, at the did in North Dakota, June 27. request of the President, and a short year installment basis.
