If you want to be on the winning  
side, vote the republican ticket.

Chauncey Keyes has made a good  
and efficient county assessor. He is  
one of the pioneer residents of the  
county and has given general satis-  
faction in the conduct of his office.

The republicans of the county, as  
well as the state, present a splendid  
list of candidates for the approval  
of the electors at the coming elec-  
tion. They are all pledged to an  
economical administration of the  
affairs of the county and state. You  
will make no mistake in voting the  
republican ticket.

Only a few days more then the  
battle of the ballots begins. Some  
will be happy and others will be  
disappointed. Be sure and go to  
the polls and express your choice  
among the candidates for the sev-  
eral offices. If you do this you  
will be performing your duty as an  
American citizen.

Esther Cole Harris has served  
the people of the county for one  
term in the office of register of  
deeds. She has made a good, faith-  
ful and efficient official and is en-  
titled to another term, and from  
reports that we hear the people will  
give her title to another term in  
office at the ballot box next Tues-  
day.

Bob Simmons is making votes  
every day for himself and the bal-  
ance of the republican ticket. His  
clear cut statements on the issues  
confronting the people of this state  
and nation, is winning many to his  
support and it now looks as if Bob  
would win the election on next  
Tuesday with a substantial major-  
ity.

Many election polls taken in the  
eastern part of the state, show  
Simmons leading for senator and  
Griswold for governor. The tide  
has been running strong against

the democratic party during the  
past few weeks and from present  
indications the republican ticket  
will be successful.

From reports that come in from  
over the county, L. G. Gillespie is  
a sure winner for member of the  
legislature. Lloyd has made an ag-  
gressive campaign and has probably  
interviewed more voters this fall  
than any other candidate. His canv-  
ass is being successful, too, ac-  
cording to reports and he is assured  
of a splendid vote in all sections of  
the county.

The republican candidate for  
United States senator for the short  
term, Hon. J. H. Kemp, of Fullerton,  
is a splendid citizen of the state  
and one well qualified to fill the  
highest position within the gift of  
the people of Nebraska. The writer  
has known the Senator for over 20  
years and know him to be one of  
the up-standing men of the state,  
able, clean and progressive. The  
voters of Nebraska would honor  
themselves in electing Kemp to the  
United States Senate.

"If ability and strict attention  
to business and the conduct of their  
offices, means anything to the peo-  
ple of the county, there are two  
county officers that are sure to be  
elected," remarked a prominent  
Holt county farmer the other day.  
"Julius D. Cronin has made the  
best county attorney we ever had,  
and has saved the people more  
money in the conduct of his office  
than any two former officials hold-  
ing the same position. He has the  
ability to successfully cope with  
any lawyer in the state, and is  
recognized as one of the brightest  
young attorneys of the state. Then  
there is Ira H. Moss, who is clerk  
of the district court. He has been  
an efficient and capable officer, pay-  
ing strict attention to the duties  
of his office, without fear or favor  
for friend or foe. There should be no  
question about his election, if the  
people want capable and efficient  
serve from their officers. Some  
people may have some personal  
reason for the choice of some other  
candidate, but the people generally  
recognize ability and service and  
will prove their faith in these two  
officials at the polls next Tuesday."

The republican candidates for  
supervisors are able and competent  
men and deserving the support of  
taxpayers who have their own wel-

fare at heart. Their election will  
mean a change in the control of the  
county board and one that would  
be beneficial to all taxpayers. In  
the first district J. C. Stein is a can-  
didate for re-election. He has made  
good in the position. He is not a  
politician but a practical business  
man who has made a success of his  
own business and is a heavy tax-  
payer. He deserves re-election.  
In the Third district Chauncey W.  
Porter is the republican candidate.  
He is not a politician, but is a level  
headed young man who has made  
good in every position. He pos-  
sesses qualifications that would  
make him a valuable member of  
the board. He has no enemies to  
punish or friends to reward and  
could handle the business of the  
office with credit to himself and  
with a saving of the taxpayers  
money. Taxpayers who are mind-  
ful of their own interest will sup-  
port Porter. In the Fifth district  
Ezra Cooke is the republican candi-  
date. He is able, qualified, and will  
do his own thinking. His election  
to the position is conceded by many  
of the opposition. He will be a  
valuable addition to the county  
board. In the Seventh district Ed.  
J. Matousek is the republican candi-  
date. He is a successful farmer  
and stockman living near Atkinson,  
and possesses the qualifications  
necessary for a splendid member  
of the board. Many democrats in  
that district are supporting him on  
account of his qualifications and  
there seems to be no question but  
what he will be elected.

**The New Deal**  
Much has been said about the  
New Deal and several articles run-  
ning in the papers make mention of  
the New Deal several times.  
It certainly is a new deal for a  
president to put us into debt like

we are now.  
Why don't the democratic party  
give the money direct to the unem-  
ployed that it will take to plant  
trees as is proposed from Canada  
to Mexico and 100 miles wide, where  
the farmers themselves have been  
unable to raise trees, in North and  
South Dakota.  
It will cost several million dollars  
to plant these trees, and take care  
of them after they are planted;  
why not give this money direct to

**Register Of Deeds Has  
Record Of Efficiency**

To voters of Holt county:

Having served as your Register of Deeds  
for one term, and as a candidate for re-  
election, I offer the following facts concern-  
ing my record.

I have had no office help during the four  
years, except during the first three months  
when I was learning the duties of the office.  
During my term, up to Oct. 1, 1934, my office  
has earned in fees \$7,822.45, which is \$922.64  
more than the total expense for that period  
and which amount has been paid to the  
county treasurer.

I have a family of five children from 5 to  
14 years of age, and the salary of my office  
is our only source of income. I have tried  
always to give you courteous and efficient  
service and, if after due consideration you  
feel that I am deserving of a second term,  
I earnestly ask your support in the coming  
election.

Republican Candidate for  
Register of Deeds.**

the needy?  
All the money used for the pur-  
pose of planting these trees must  
be borrowed by the government  
and interest paid on it.  
So why not give the money it  
takes to plant these trees direct to  
the people that are out of work, so  
they can purchase groceries and  
clothing with it; it will not be  
wasted that way.

No one tells us that the New Deal  
is financed on borrowed money.  
If the democratic party favors  
the tree planting program and the  
spending of millions of dollars that  
way, instead of giving it to the  
needy and unemployed, so they can  
buy groceries and clothing for the  
winter, then why should anyone  
vote the democratic ticket?  
Observer.
