J. L. TEWELL, DISTRICT JUDGE FOR JUDGE OF SUPREME COURT Non-Political Ballot

" * In this county, where he has lived for 20 years, Tewel received 2,423 votes while the combined vote for his two opponents totaled only 460. Tewel has served over 13 years as a District Judge, and prior to his appointment as Judge had a successful law practice. He has had a much more extensive experience as a lawyer, and about twice as long an experience as a district judge as his opponent in the election this fall has had. In this county the farmers and laboring classes voted for him almost to a man. He was reared on a farm southwest of Lexington, Nebraska, received two degrees from the University of Nebraska, and is highly qualified to fill the position he seeks."—(Reprint from The Telegraph-News, Sidney, Nebraska, August 21, 1934, Guy V. GIVE THE TAXES TO NEBRASKA INSTEAD OF TO BOOTLEGGERS!

IF Nebraska remains dry it will be a roosting place for gangsters, hoodlums and racketeers.

They will continue to make big profits from their illicit liquor dealings. These undesirables will also deprive the state of a tremendous amount of TAXES which rightfully belong to Nebraska. Too, it will cost untold sums of money to enforce the dry law, due to the fact that our sister states are WET!

And not only that... YOU MAY LOSE YOUR

BEER

If REPEAL does not carry, there is a great possibility that the 3.2 Beer Law will be held unconstitutional AND YOU WILL LOSE YOUR BEER, TOO!

Let's be sure to keep BEER in Nebraska. Give the TAXES to Nebraska instead of to bootleggers.
