"252 miles to the gallon is how I figure it with Red Crown" ... EDGWS Lester Longbow Mr. Lester Longbow, a prominent resident of Dozen Forks, R. R. 6, is known throughout the state for his untiring efforts in behalf of the Tall Stories Club. YA see, I was to be speaker o' the evening at the annual Grange dinner over to Dozen Forks. I got all tidied up, sorta late, and then found the datted car was out o' gas — and Dozen Forks all o' four miles away. "Well, my wife had an idea. 'Wait'll I get that little bottle o' gas I got from the Standard Oil Station to kill the ants with,' says she. "I loved as how it was foolish, but we'd try it. So she brought out a little 2-ounce bottle and we dumped the Standard Red Crown it held into the gas tank. I started off, figuring mebbe I'd make a hundred rod. "But I got past the next farm — and the next — 'n fore I knew it there I was in front o' the Grange with the motor still runnin'. Figure it out for yourself... four miles worth o' distance on two ounces o' Red Crown. That's 252 miles to the gallon. That's mileage, mister!... Eh?... Sure, the whole Grange is using Red Crown now." We think Standard Red Crown is good, too, but we refuse to be taken in by Lester's vivid report. It's not THAT good. With "more live power per gallon," Standard Red Crown operates with less waste power per gallon. With it you can be sure of as long mileage per gallon as with any regular-priced gasoline you can buy — if not longer. But rather than make claims, Standard prefers to make it easy for motorists to find out the real facts about gasoline mileage for themselves. NOW learn the TRUTH about Gasoline Mileage DRIVE A "TEST CAR" IN THE WORLD'S GREATEST ROAD TEST \$5000.00 in cash and hundreds of fine merchandise awards for Test Car Drivers. Chance to discover new money-saving facts about motoring. No obligation. No extra driving. Standard furnishes all equipment for easy recording of mileage during 65 days' ordinary driving. Any car in the State is eligible. Get full details now, from any Standard Oil Station or Dealer. Be sure your car is safe to drive — then DRIVE SAFELY
