NOW—THE New Firestone STANDARD TIRE

NEVER BEFORE SO MANY Extra Value Features IN A TIRE AT SUCH A LOW PRICE

The THRIFT TIRE of 1936 \$6.95 4.40-21

FIRST LINE QUALITY—The new Firestone Standard Tire has been designed and constructed by Firestone skilled tire engineers—it is a first quality tire, built of first grade materials, embodying exclusive Firestone patented construction features.

FIRESTONE NAME AND GUARANTEE Every Standard Tire is backed by the Firestone name and guarantee—your assurance of safety, dependability and economy.

LONGER NON-SKID MILEAGE—The wider, flatter tread is scientifically designed with more and tougher rubber on the road for long, even wear, and thousands of extra miles.

GUM-DIPPED CORD BODY—Eight extra pounds of rubber are added to every one hundred pounds of cotton cords by the Firestone patented process of Gum-Dipping. This not only provides greater strength, but gives greatest blowout protection.

TWO EXTRA LAYERS OF GUM-DIPPED CORDS UNDER THE TREAD—Cushions road shocks. Affords extra protection against punctures and binds the whole tire into one unit of great strength.
