O'CONNELL TRIAL IN PERJURY CASE TO BEGIN MONDAY

Seventeen From Old Jury Panel Are Recalled To Duty, With Seven New Jurors.

Judge Dickson has set Monday, May 17, as the date for the commencement of the trial of Connellius O'Connell charged with perjury.

The following members of the old panel have been called to return on the above date: John Ramm, Stuart; John Callen, E. V. Hickock, Merle Richards, Ray White, Frank White and D. A. Jonason, Atkinson; O. A. Kilpatrick, Walt O'Malley and Joe McNichols, O'Neill; Art Rannels and O. R. Yarges, Stuart; Henry Kloppenburg and John Welsh, Emmet; Merwin French and Jack Summers, Page; Pat Regan, Iuman.

The following seven new jurors have been drawn to complete the panel of twenty-four: Bill Wolfe, O'Neill; Ray Fullerton, Charles Prior and Ray Backhaus, Atkinson; L. B. Parkinson, Page; Alvin Johnson and Leonard Thorine, Chambers.

Word From Lincoln Says Jack Kersenbrock Is Expected to Recover

Word received by Mayor Kersenbrock from Mrs. Kersenbrock at Lincoln last evening was to the effect that their son, Jack, 15, was holding his own and it was believed that he would soon be on the road to rapid recovery, a fact that will be pleasing news to Jack's many friends and those of the family in this city.

Three weeks ago today Jack accidentally cut his right leg above the knee with a hatchet. It was dressed at once and appeared to be healing nicely when streptococic infection set in and his condition became alarming. A specialist was called from Lincoln and he came up last Friday evening. He deemed it necessary that the boy at once be removed to a hospital at Lincoln where he could receive medical care and attention, so an ambulance was called from Lincoln and they drove to this city that evening and about 2:30 Saturday morning they left here with Jack for Lincoln, being accompanied by Mrs. Kersenbrock and her sister, a graduate nurse of Lincoln, who came up with the physician earlier in the evening. Jack stood the trip fine and he is in St. Elizabeth's hospital in Lincoln.

Jack Kersenbrock is one of the most popular boys in the city, being respected and loved by all the younger people as well as the older for his many fine qualities and gentlemanly behavior, and they are all praying for him to make a successful fight against the infection that has attacked him.

May Day Exercises At Public School Friday

Each year the public school crowns their queen in the month of May. Parents and friends are invited to attend this ceremony next week on Thursday, May 13, at 2:30 o'clock. The band will play, the kiddies will dance and wind their maypoles for the queen.

After the afternoon performance parents and friends are invited to visit the various rooms, where the work of the children will be on display.

There will be an evening performance, which is free, and you are invited to see a one-act play and other little acts that the pupils have prepared for your approval. Be sure to come as the kiddies are expecting you.

Johnson Drug Installing Streamlined Fountain

The John Drug store is installing a new, modern and up-to-date fountain in their store this week, the work of installation starting this morning. The new fountain is streamlined and all exterior surfaces of the fountain are of highly polished stainless steel. This new material, similar to the stainless steel of kitchen knives, is so hard you cannot drill it with a hand drill, resists absolutely the corrosive action of lemon juice and other fruit acids, and never loses its gleaming finish.

The streamlining of the fountain

makes it more beautiful and because all sharp corners and crevices are eliminated, it is very easy to keep spotlessly clean. Included in this modern fountain is equipment for making sandwiches and coffee.

The management of Johnson Drugs is eager to have all their friends and patrons inspect this new equipment which is now being installed.

Funeral Services Held Here for Man Killed In Farm Mishap at Gordon

Paul Neubauer, 64, died at a hospital in Gordon last Tuesday morning. The body was brought to this city Wednesday evening and the remains were interred this morning in Calvary cemetery, after services in St. Patrick's church, Monsignor McNamara officiating.

Mr. Neubauer was working for a farmer a few miles from Gordon. About a week ago a team he had on a manure spreader ran away while he was on the ground at the side of the spreader. He grabbed the lines and held on but the team continued their mad flight until they struck a wire fence. Mr. Neubauer was thrown to the ground and dragged several feet, the wheels of the spreader passing over his body and he sustained several fractured ribs as well as other bodily bruises. He was taken to a hospital in Gordon and was apparently getting along nicely when he died.

Mr. Neubauer came to this county about 1917 and for two years farmed about three miles north of this city. He then moved to a farm near Page where he remained for a few years and then settled near Ewing. He went to Sheridan county about seven years ago and since that time had been working for different farmers in that county.

Deceased leaves eight children to mourn his passing, all of whom were present at the funeral, except two, Mrs. Ted Gebur of Medford, Ore., and Miss Beatrice Neubauer of Broken Bow. The following are the children; William, Page; Miss Agnes, Norfolk; Mrs. Ted Gebur, Medford, Ore.; Mrs. Lyle Newman, Gordon, Nebr.; Mrs. Louie Braemer, Hay Springs, Nebr.; Mrs. T. S. Prudence, Ewing, Nebr.; Miss Beatrice, Broken Bow, Nebr., and Paul, Jr., of Page.

1937 Rainfall Is Very Close to Four Months of the Previous Year

We have heard many express the opinion that we had more moisture during the first four months of 1936 than we have had this year. To settle the argument we went to Observer Bowen's records Tuesday morning and we find the following is the registered rainfall for the first four months of 1936 and 1937:

	1936	1937
January	.88	1.23
February	1.45	1.19
March	1.02	.72
April	1.59	1.60
Total	4.94	4.74

During the month of May, 1936, we had precipitation in this section amounting to 4.20 inches. The first three days of this month we had .68 of an inch of moisture and there are still twenty-seven days to secure the 3.52 inches to equal the record for May, 1936. A lot of the moisture this spring has been received in the past two weeks. No heavy rains but a continual slow drizzle from the clouds, every drop of which entered the ground, none having run off.

Farmers say that the ground is now in fine condition and with warm weather everything will just boom. The cool wet weather of the past two weeks has been of great benefit to rye and farmers are now looking forward to a good crop of this Holt county standby.

The Weather

	High	Low	Mois.
April 29	55	40	.18
April 30	57	42	T
May 1	53	43	.03
May 2	67	39	.21
May 3	61	41	.43
May 4	71	46	.07
May 5	74	44	

The Junior and Senior banquets of both St. Mary's Academy and the O'Neill Public schools were held last Tuesday evening. It is reported that all the participants had an enjoyable evening.

COUNCIL SETS LIMIT ON NUMBER OF BEER AND LIQUOR PLACES

Question of A Well Also Brought Up. Shaner Wants \$1,000 Or Threatens Suit.

The city council met in regular session last Tuesday evening with all members present. The old council transacted their regular business and then adjourned sine die.

The new council, which consists of the same membership as the retiring council, met and organized with the election of H. E. Coyne as president of the council for the ensuing year.

The Council also adopted a resolution limiting the number of places in the city for the handling of alcoholic liquors. They fixed the number of beer parlors in the city at ten and the number of liquor stores at four. This is the number now engaged in business in the city.

The question of the old well put down on lower Fourth street a couple of years ago by Frank Shaner was again before the council. Shaner entered into a contract with the city to furnish it with a well that would produce 300 gallons a minute in a 48-hour test. When the test was made the well failed to produce 150 gallons a minute and under the contract the city did not owe Mr. Shaner anything for the well, as he failed to fulfill his contract.

Since then several attempts have been made to get the matter settled and at one time the council offered to give Shaner \$750 for his well, which he refused. Since then the city has purchased the lot upon which the well was sunk and they now want Mr. Shaner to remove his property from the lot.

He appeared before the council Tuesday evening and wanted the city to pay him \$1,000 for his well, which the council refused to do and he left the council room promising suit, but what he has to sue on is more than the average person can figure out.

The following committees were named by the Mayor for the ensuing year, who were at once confirmed by the council:

Streets and Alleys—H. L. Lindberg, John Protivinsky and Levi Yantzie.

Lights—Norbert Uhl, Francis Bazelman and John Protivinsky.

Water—H. E. Coyne, Francis Bazelman and John Protivinsky.

Sewers—John Protivinsky, H. E. Coyne and Levi Yantzie.

Walks and Crossings—Francis Bazelman, Norbert Uhl and H. E. Coyne.

Parks—Levi Yantzie, H. E. Coyne and Harold Linberg.

Auditors—John Protivinsky, Norbert Uhl and H. L. Lindberg.

Custodian of City Property, Levi Yantzie.

Finance Committee—Norbert Uhl and H. L. Lindberg.

The following city officials were appointed by the Mayor and at once confirmed by the Council:

City Attorney, Emmet A. Harmon; Chief of Police and Poundmaster, Chet Calkins; Assistant Police, William Lewis; Engineer at Pump Station, Jesse Scofield; Medical Advisor and City Physician, Dr. L. A. Carter; Street Commissioner, H. L. Lindberg.

The Frontier was selected as the official paper of the city for the coming year.

M. F. Norton Observes His 90th Birthday

M. F. Norton celebrated his 90th birthday Saturday, May 1, at a one o'clock luncheon. Mrs. Minnie Bowen gave him a large birthday cake and invited a few guests to help him celebrate. He also received a cake from his daughter, who lives in Moline, Ill., and telegrams from his other children.

Attend Lions Meeting Tuesday at Long Pine

J. P. Marron, A. E. Bowen, H. P. Conklin, Rev. A. J. May, F. M. Reece and T. S. Mains drove to Long Pine Tuesday evening and attended the installation of a new Lions Club in that city. The boys say that there were 300 at the meeting, large delegations being present from the eastern part of the state as well as from northwestern Nebraska. They report having had an enjoyable time.
