Public School Notes

The day of reckoning is at hand. This week brings examinations in all classes. Students are very busy finishing the work required and reviewing the work of the past few weeks.

Ability to write paragraphs which have unity, coherence and emphasis, as well as correct grammatical construction is the aim of the tenth English class.

The beginning typing classes have completed the keyboard and are reviewing the machine parts for the six week's test. The advanced typing class is doing mimeographing; some members of the class are doing work with the stylus. The class has taken up a

complete set of business letters, which were dictated in class, to get acquainted with the special forms of letters used by the larger corporations in the last two years.

The girls in the home economics classes have been studying the characteristics of a well-bred girl in home, school and public. Some of the qualities that have been selected as necessary for a person to be accepted socially are self-control, cheerfulness, tact, co-operation and dependability.

The pep girls made their first out of town trip to Bassett on Oct. 8. Sixteen girls made the trip. The girls had a ride they will remember, as it rained most of the way, and they crawled down in their Navajo blankets to keep warm. On the return trip the truck ran out of gas, and the girls were able to warm themselves by pushing the truck a half mile to the nearest gas station. They hope for better luck next time.

The pep girl's trip was made possible by a program given in the high school auditorium Thursday afternoon. The following numbers were given as parts of the program: Fast tap dance, Betty Ernst, Patsy Kruse; military tap by Betty Harris and Dorothy Losher; song and novelty numbers by Marvin Holzclaw and Buddy Persons; special dance number by Myrtle Lovings; song by Guy Harris; one act play with the following cast, Joe Curran the silent lover, Margie

Wyant the bride, Charles Herrick the irate father, Martha Switzer the maid, and Maxine Barnes the deaf and slightly dumb aunt. Each character is entitled to praise for his performance.

In beginning shorthand sections one and two have been completed. The class has written for ten days and is doing some good work.

We are very pleased to have a new eighteen volume set of World books for our library.

BRIEFLY STATED

Thomas Liddy and Fritz Kelly left last Friday for Ames, Iowa, to attend the Nebraska-Iowa State football game Saturday. They returned to O'Neill Sunday.

There will be a rummage sale in the council room in the Nebraska State bank building Oct. 21, 22 and 23. If you have things to donate call 103-J, or bring them to the sale.

O. A. Ott, who had been visiting relatives and old time friends here for the past three months, left the middle of the week for the south where he will spend the winter visiting with relatives.

C. E. Lundgren, Art Barnes and John Davis left Tuesday afternoon for Lincoln where they attended a showing of all the 1938 models of Chevrolet cars, which was held in that city Wednesday. They returned Wednesday night.

Mr. and Mrs. George Losher went to Omaha Thursday of last week, where Mrs. Losher entered the University hospital for medical treatment. Mr. Losher returned home Monday and his wife will remain in the hospital two weeks.

Mr. and Mrs. H. W. Tomlinson and daughters, Mrs. William Turner of Chambers, and Mrs. Mildred Coventry and daughter, Joan, of Imman, returned home last Saturday afternoon after spending ten days visiting at the home of Mr. Tomlinson's sister, Mrs. A. J. Connerly at Toronto, Kansas.

Mrs. and Mrs. Hank Martin and son, Allen, and John Martin, returned Tuesday evening from a weeks visit with their brother, George Martin at Wichita Falls, Texas. John said that it was quite a sight down there going thru the cotton gins and visiting the numerous oil wells in that section.

The Misses Margaret, Helen and Catherine Carroll of Spokane, Wash., arrived here last Monday

and are guests at the home of their aunt and uncle, Mr. and Mrs. H. E. Coyne, while visiting other relatives in this section. The young ladies came here from Chicago, where they had been visiting. They expect to leave Friday for Salt Lake City and after a few days visit there will proceed to their home.

contrary. In Pierce county the papers say that the list this year is the largest ever published in the county. Cherry county papers are publishing lists that cover seven pages and the Holt county list is larger than it was last year.

Mr. and Mrs. C. F. Casby, son and daughter, of Woodward, Iowa, were in the city Wednesday evening while on their way to Wyoming and made this office a pleasant call. Mr. Casby had been in the newspaper business as publisher of the Woodward Enterprise for the past ten years but recently sold his

plant and was on his way to Washington or Oregon seeking a new location. On his way west he was to stop and inspect a plant in Wyoming.

Word has been received here of the death of Lee Winn at his home at Buck Grove, Iowa, on Oct. 6, 1937, at the age of 63 years. Mr.

Winn was a resident of this county many years ago, coming here with his parents at the age of nine years and living northwest of this city for ten years, when the family moved back to Iowa. He was the heir of the estate of Thomas McKenzie, who lived north of this city for many years and who passed away a couple of years ago.

Sell Your Livestock at O'NEILL

AUCTION EVERY MONDAY

O'Neill is conveniently located on highways 281 and 20, and on the Chicago & Northwestern and Burlington railroads, thus making a more desirable place from which buyers from Iowa, Illinois, Eastern Nebraska and South Dakota may ship or truck stock to their home or destination.

O'Neill has facilities not surpassed in presenting and offering your livestock for sale.

Engine oil too, squirms through

TEENY WEENY HOLES

Quicker Oiling - Quicker Starting with **WINTER OIL-PLATING**

You know that your engine must be oiled instantly throughout, or be tortured at every cold start. Imagine cold oil rushing everywhere at once, through scores of tiny oil-holes! How long before it gets where it's needed?

Less than no time at all! . . . with Conoco Germ Processed oil—patented. This is the Winter oil that OIL-PLATES your engine.

Before other oils even start, OIL-PLATING has arrived! In fact, it's been there all the time, because OIL-PLATING cannot drain down. It smooths and speeds the first turn of your ice-cold engine. Saves battery juice. And you save gallons of oil this Winter, by changing now to Germ Processed at your Conoco Mileage Merchant's.

GERM PROCESSED OIL

Write for "The Story of Oil-Plating" . . . Dept. 1, Conoco, Ponca City, Okla.

"I am a local independent merchant. My living depends on you people right here. I want you coming to my place steady. I want to be able to look you in the eye. That's why I've got Conoco Products and Service for you. You'll get mileage that tells you I've got a right to be called Your Mileage Merchant."
