STANDARD RED CROWN
the long-mileage gasoline

"Ump-ff" is descriptive, certainly, of the things you notice about this gasoline when you use it in your car—the life, the power, the get-up-and-go that is so noticeable the minute it goes into action. Next time you need gasoline, swing in where you see the STANDARD sign and try a tankful. And while you're about it, notice the miles you go before you need gasoline again. One important thing that extra UMP-FF does, is run your car at surprisingly low cost per mile.
