The Whole World Topsy-Turvy to Him

Frank Balek, 12, Chicago youth, sees everything upside-down. He originated his own method of writing by beginning at the bottom, in the lower right hand corner, and writing from left to right. Not only does he read and write in this manner, but objects are also visually upside-down. He is in the fifth grade, and averages 85 in his studies, which indicates that his visual defect does not impede his educational progress.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery. Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination. There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!
