Telephone Call Brings Help to Fight Farm Fire

A fire that threatened to destroy all the buildings on a midwest farm was extinguished when neighbors for miles around answered a telephoned fire alarm.

The farmer noticed his feed rack in flames. Rushing to the telephone, he spread the alarm. Help came in a few minutes. The fire was only 12 feet from the barns when it was stopped.

"If the telephone had not brought help in such a hurry, I am sure the barns and other buildings would have been destroyed and I would have lost everything," the farmer said.

Why put off any longer having the protection and help of a telephone? Get in touch with the telephone office today. Find how you can have a telephone for only a few cents a day.

Russell Nabs Russell; Latter Gets Thirty Days

Willis Russell, of Page, was before the county court this morning Russell charging him with driving on a complaint filed by Patrolman Crossen. Mr. Russell was before the court once before charged with the same offense. He pled guilty to the charge filed against him. In view of his former offense he was fined by Judge Malone \$100 and costs, amounting to \$3.10, or a total of \$103.10. He was also sentenced to thirty days in the county jail and his drivers license revoked for one year. That should hold Willis Russell for a while as Lawrence Russell will probably be watching for him.
