O'NEILL DAY SEPTEMBER 18, TO BE BIG DAY IN NORTHERN NEBRASKA

O'Neill Citizens Spending Several Hundred Dollars To Entertain The People of Her Trade Territory

Join The Parade to O'Neill on that Day; Bring The Family and Enjoy Yourselves.

The chairmen of the various committees for the celebration of O'Neill Day have had two important meetings the past week. One of the meetings was held last Friday night and was attended by all of the committee chairmen. At this meeting the name O'Neill Day was selected for the event, receiving all but five votes cast at the meeting. The name gives general satisfaction.

Reports of the various committees were received and from report it is evident that O'Neill will furnish one of the best entertainments ever given in this section of the state to their guests.

Another meeting of the chairmen was held on Wednesday evening, at which time a program was practically completed and will be finished tomorrow morning.

As at present lined up the program for the day will consist of the following: The Atkinson, Stuart, Page and O'Neill High School bands will be in attendance and will furnish music throughout the day. A local German band will also be in evidence and furnish fun and music during the day and evening.

The festivities will open with a parade at 10 o'clock in the morning. This will be followed by street sports, under the direction of Chairman Jack Arbutnot, and will commence at 12 o'clock.

At 1:30 there will be a baseball game between Redbird and Stuart, which will be played at the City Park, commencing promptly at 1:30. This will be followed by a Kitten Ball game between Midway and Page, which will start at 4 o'clock, or immediately after the baseball game. The latter promises to be an interesting contest as both teams will be plugged for the contest and lovers of the national game are promised a treat.

There will be a balloon ascension at 5 o'clock, which will be interesting to all the young folks and many of the older ones who have never witnessed one.

The Kangaroo Court will hold a session at 7 o'clock and this promises to furnish lots of entertainment for the visitors as well as the local residents. The first session of the Court will be held next Saturday evening after the band concert.

The boxing matches will start at 7:30 and there will be twenty-five or more matches between some of the best fistic talent in this section of the state.

Starting at 8 o'clock there will be free shows at the Outlaw Theatre in west O'Neill, on Douglas street. At 9:30 the \$25.00 bag of silver.

The dances on the pavement will start at 10 o'clock. For the Modern dance, Chairman Max Golden has secured the services of Rollo Sissel and his orchestra. They have played here various times and are among the best.

The Old Time dance will also start at 10 o'clock, music for which will be furnished by the Joe Petr orchestra. This dance is under the direction of Chairman Ambrose Rhode and both dances will be on the pavement, which will be prepared for the occasion.

The Booster Committee have arranged for three Booster trips, the first one next Tuesday. The Boosters will be accompanied by the O'Neill School band and it is expected there will be at least 75 cars in the caravan. Following is the itinerary for the first day:

Big Run of Livestock Last Monday and Fancy Prices Were Paid

One of the biggest and best livestock sales of the season was held at the O'Neill Livestock Commission Co. sales yard last Monday. Nearly 1450 head of cattle, about 300 hogs and 250 head of sheep made up the offering.

The demand for livestock exceeded the day's supply and buyers from several states were in keen competition. Prices zoomed accordingly with all classes sharing in the general upswing.

Fleshy feeders reached a new top of \$9.85 with bulk of this class selling from \$8.75 to \$9.40. Good two-year-old steers not carrying so much flesh brought from \$8.00 to \$9.10.

Long end of the yearlings sold from \$9.00 to \$9.85 with two short loads cashing at \$10.00 to \$10.10 per cwt. Yearling heifers brought from \$7.75 to \$8.50 with one choice load paying their owner the nice price of \$8.80. A few odd head in this class ranged upward as high as \$9.00.

Calves were in rather light supply but prices were excellent. A small bunch of choice Angus paid the top price of \$11.10. Hereford, steer calves of extra good quality sold from \$10.60 to \$11.00. There were a few good quality heifer calves here and the toppest kind reached \$10.25, but most of them cashed around \$9.00 to \$9.75.

Fleshy young cows paid an extreme top of \$7.35 with the bulk of the cow offering going at \$5.75 to \$6.70. Plain kinds changed hands at prices ranging from \$4.25 to \$5.50. Bulls were steady to strong and moved at \$5.75 to \$6.15.

An offering of about 250 choice feeding lambs was a special feature of last Monday's sale. The fancy price of \$8.20 per cwt. was paid for one band of fourteen head. Another band numbering 38 head sold at \$8.05. Others sold from \$7.75 to \$7.95.

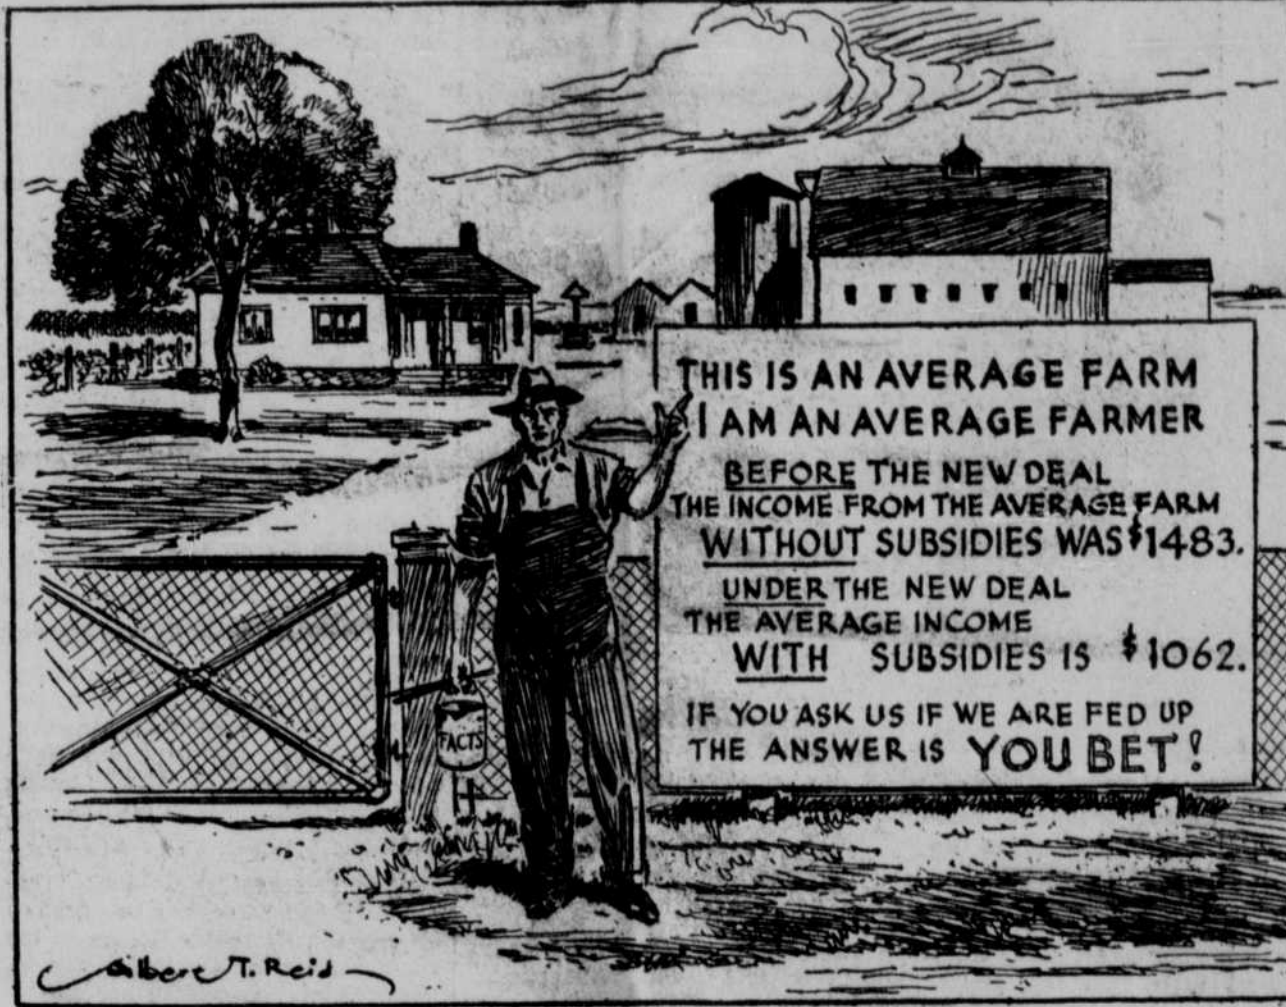

About 300 hogs were listed in the day's offering. Prices ranged steady to higher with butcher hogs reaching a new top of \$6.75. Bulk of this class sold from \$6.35 to \$6.60. Sows ranged from \$5.70 to \$5.30 and other classes were correspondingly high.

HOLT COUNTY FAIR TO HAVE THREE FULL DAYS OF ENTERTAINMENT

Four-H Boys and Girls Clubs Work Big Feature In Exhibits. O'Neill School Band Plays Friday.

In order to make room for all the sports and entertainment that has been secured for this year's Holt County Fair the management is inaugurating three days, full of fun and thrill packed entertainment.

The second day of the Fair has always been entirely taken for judging. This year enough judges have been obtained to take care of the judging of the stock in the forenoon. The rest of the day will be given to a variety sports program that was in great demand and could not be squeezed into the other two days along with the two main features already signed to appear.

This day of entertainment, Wednesday 11, is financed by contributions from the business men of Chambers. It had been planned to feature Wednesday's program with an Airplane bombing Contest. This plan has run into a red tape snag in the form of state regulations. Unless this can be ironed out, some other feature will have to be obtained to take its place. Among other things on the day's program is a baseball game between Orchard and Chambers, a model T Ford aquaplane race, foot races of all kinds, horse races and novelty races.

The last two days of the Fair will feature two main attractions, the Art B. Thomas Outdoor Stage Show and the Rodeo. The Thomas free acts, although it is the same

company that showed here last year, it has an entire change of performance from last year. It is the only time this particular show will appear in this territory, and is different than the one booked at Neligh.

This show has a full retinue of performances, which will be shown on a beautiful movable stage in front of the Grandstand. Two performances a day will be given, one in the afternoon and one in the evening under the lights.

The Rodeo will be the same high class contest as last year. Arrangements are being made to insure a fast run of events, and the best Rodeo performers, Lynn Babb, the man who is furnishing the stock, declares it is the best rodeo stock he has ever gathered together.

A full sized carnival will be on the grounds for three days of the fair. Five rides will be set up, and many other places of amusement will be on the midway. Feature of the side shows is the ossified man of Ripley's "Believe It or Not" show.

O'Neill, Page and Chambers high schools will furnish the music for the three days. Chambers is scheduled for Wednesday, Page for Thursday, and O'Neill's band will be on hand for Friday.

Another special attraction will be presented Friday when the Holt County Chorus will open the day's festivities with their singing.

Kookie Kutter Club

The Cedar Valley Kookie Kutter Club held a picnic at O'Donnell's Lake, August 25th. The following people were present: Mr. and Mrs. Elmer Trowbridge and family, Mr. and Mrs. Henry Dorr and family, Mr. and Mrs. Raymond Davis and family, Mr. and Mrs. Floyd DeLong and family, Mr. and Mrs. Roy DeLong and family, Mr. and Mrs. Gilbert Noring and family, Mrs. Etto Trowbridge, Ernest Trowbridge, Mr. and Mrs. Arnold Weber, Mrs. Anna Thompson and Emmett, Mr. and Mrs. Harry Snyder and Rose, Mr. and Mrs. Oscar Erwin and family, Mr. and Mrs. Smith, Mr. and Mrs. Melvin Lamason and Jimmy, Mr. Les Lamason and Frances, Mr. and Mrs. Leo Smith and family, Mr. and Mrs. Jesse Kelly and Beverly, Earl Greenhalgh, Arvilla Kies and Charles Myer. An enjoyable time was had by one and all, even if it did threaten to rain all day.

Thus ends a successful club year for us 4-H girls. Last but not least a word of appreciation should be given to the mothers of the girls who served such nice lunches when the girls were hostesses to the club.

A Bunch of Wreckers Are Running At Large

Some vandals tried to imitate Hitler, Mussolini and Stalin, in their destructive tactics and raided the City Park the first of the week and destroyed everything they could lay their hands on and left the Park looking like the wreck of some Polish city. Mayor Kersenbrock says that he will give a reward of \$5.00 to anyone furnishing information as to the guilty parties and promises that they will be taken care of, so that in the future they will have some respect for the property of others. By diligent work the city officials have been getting the Park in condition so that people of the city, as well as citizens of other sections, could enjoy it and then these rowdies destroy it. They should be severely punished and not let off with a few words of warning.

St. John's Thanks You

Thanks O'Neill!—It was mighty swell of you to come to St. John's and help make our celebration the best one we ever had. Thanks a heap!

SOUTHWESTERN BREEZES

By Romaine Saunders

Whiskers and calico gowns do very well for parades, but what our boys and girls need is the self reliance of the pioneers.

The county seat will show how it is done by closing the season of hilarity on September 18, with another of their alluring Free Days. There is some speculation as to what that Committee on Red Hats stands for. Can it be that these 90 months of New Deal has made my Irish friends at O'Neill see red?

John Bower, injured some weeks ago when he was thrown from a hay sweep and was taken to a hospital, is now being cared for at the home of Mr. and Mrs. Delbert Edwards.

Mr. Wallace says to curb Hitler in the western hemisphere for re-electing F. D. R. Not room for two dictators over here.

At the insistence of Secretary of State Swanson, a Gage county man was fined \$25 for selling real estate "without a license." A chap who can sell a block of ground just now ought to be awarded a premium. I'll have to put a mark against the secretary of state.

Douglas county clamored for "legal" bets on the races. Now they have a ten thousand dollar defaulting county official, who has been playing the ponies with the taxpayers' money.

A lady with a flawless German tongue tells me it is pronounced No-ze, the o having the short sound with accent on the ze. The meaning of the term, The Nazi, she explained is "the Nationals."

Mr. and Mrs. Glenn Doolittle of Lancaster county, visited relatives in this community a few days last week. Mr. Doolittle is a cousin of Mrs. Bernard Kennedy and Art and Earl Doolittle.

The boys and girls of the neighborhood went bouncing to school on their ponies Monday for an eight-month term in the Berry district. Miss Voss, of Tilden, making her home with Mr. and Mrs. Kennedy, is the teacher.

Mrs. Saunders and myself have been at Lincoln since the breezes last floated out of the southwest for the two-fold purpose of attending the annual state convocation of the church group with which we are identified and responding to an invitation to the wedding of our son, Ned, which occurred on August 18, when he and Alice Jackson were united in marriage at the home of the bride's parents, Mr. and Mrs. Royal J. Jackson, near Bruning, Nebr. There was a large guest list, all of whom were strangers to me, except the bride's grandfather,

Busy Hour Club

Due to all difficulties the Busy Hour Club did not get to meet with Mrs. Henry Wayman on August 1, so met with her on August 30. All members but one were present. The afternoon was spent in working tea towels for the hostess and playing games. Those winning prizes were Mrs. Margaret Keefe, Mrs. Ruby Wayman and Mrs. Lizzie Schmoir. Ruby Wayman also received a birthday gift from her mysterious sister. Visitors were Mrs. Wm. Schmoir and daughter, Glads. At the close of the meeting the hostess served a delicious lunch.
