## NEW 8 TUBE CORONADO

"Spread Band Tuning" ... Easy To Hear Europe Direct

Here is an outstanding example of Gamble's policy of selling for less. In this new, modern 1941 radio you get more from every angle than you ever had before in a radio at this price. See it for yourself. See its new thrilling beauty, marvelous performance, and the many new features to be found in this 1941 Coronado console. Then, by all means, ask your Gamble Store for a free home demonstration. This is absolutely the greatest 8 tube console in our entire radio history.

Now--foreign stations are as easy and simple to get as domestic stations. Coronado's new "spread band" tuning and precision, accurate, automatic tuner make possible push button tuning on short wave!

OLD METHOD

NEW SPREAD BANDS

New Spread Band Tuning

Each of the four important foreign wave bands are spread out on four separate full width tuning bands, not cramped together on one band as was formerly done.

New Precision Tuner

Automatic station selection combined with spread band tuning, European stations may be tuned with push button tuning.

Built-in Loop Aerial

Eliminates the use of outside aerials and messy lead-in wires. Enables radio to be placed anywhere in the home.
