O'Neill Production Credit

Ass'n Has Good Year

Farmers and stockmen in Holt, Boyd, Wheeler and Garfield counties have been "good pay" the last few years, according to financial reports presented Thursday at the annual meeting of the O'Neill Production Credit Association.

The report showed that the credit cooperative has loaned nearly 3 million dollars since it came into being seven years ago—without one cent of loss.

Over 200 livestock operators and farmers were on hand for the annual meeting, featured by a review of last year's business, talks, entertainment and a dinner for the membership.

The stockholders re-elected Otto Oberg, of Ericson, for a three-year term on the board of directors. The other board members, whose terms did not expire, are D. C. Shaffer, of O'Neill, president; Otto Krupicka, of Spencer; M. F. Gribble, of O'Neill, and C. F. Clark, of Burwell.

Secretary-Treasurer, James W. Rooney, in reviewing last year's activities, pointed out that the association increased its service from 107 members and about \$125,000.00 loaned in 1934, to 224 members and over \$555,000.00 loaned in 1940.

"As a result of the steady growth," he told members, "the association has now accumulated more than \$38,000.00 in earnings. These earnings constitute a cushion of safety protecting the capital stock of the members and further enhancing the association's ability to supply stockmen and farmers with dependable credit."

Mr. D. Wayne McCallum, representing the Production Credit Corporation of Omaha, congratulated the membership on the association's steady progress. The theme of his address was "P. C. A. Fundamentals"—stressing cooperation.

Mr. L. N. Burch, Executive Vice-President of the Federal Intermediate Credit Bank of Omaha, spoke briefly on the topic of "Where the Money Comes From." He said credit will be ample this year to finance all sound agricultural enterprises.

Mr. and Mrs. H. J. Birmingham, Joe and Danny Gallagher returned on Sunday from Denver, Colo., where for the past week they attended the Denver Live Stock Show.

Music Lovers Will Enjoy A Treat Monday Evening

The vocal music department of the O'Neill High School will present a concert in the high school auditorium Monday, January 27, 1941, at 8:00 P. M. This will be a program of approximately one and one-half hours in length and presenting both large and small vocal groups. A number of people are singing solos for the first time and also one group is new in the O'Neill High School, the Madrigal Group.

The Madrigal as a type of song first appeared in Italy in the 14th century as a secular part song. The madrigal was lost to music for a number of years, but has recently been revived. In madrigal singing, each of the voices has a special melody and special entrances, which makes madrigals rather difficult to sing, but very interesting. In early times they were sung by informal groups in which each voice more or less improvised its own part—corresponding somewhat to the modern "jam session" but with a different type of music.

The informality is still carried out in the singing of madrigals as far as possible.

Come and hear your people perform.

New Officers Elected At F. F. A. Meeting

Last Tuesday evening, the F. F. A. members held a business meeting. At this meeting the members elected new officers to lead the chapter for the coming year.

The members elected Rex Oberle to succeed George Hendrick as president; Hugh Benson was elected to succeed Clifford Burival, Dean Oberle succeeded Rex Oberle as secretary. John Etherton was elected reporter to succeed Maurice Grutsch.

George Hendrick, Clifford Burival, Bob Hanley and Maurice Grutsch are seniors. The organization has an efficient group of officers and ought to advance rapidly.

It was decided that each member be responsible for the sale of two concrete hog troughs. This will help the sales committee a great deal.

Mr. and Mrs. Ed Corbin, of Fremont, were visiting at the home of Mr. and Mrs. Melvin Ruzicka on Wednesday.

On The Sidelines

By Observer

This week there seems to be nothing new on the sports horizon so let's look towards the last week and see what it held in store for us.

Before we take into consideration another thing, we want to congratulate Coach Anderson and his boys for the defeat rendered to Neligh last Friday night. We hoped them to come out on the wrong end of the score but, ah yes, we underestimated them.

This Friday night, January 24 marks the opening of the first Atkinson Grade School Tournament sponsored by the faculty of Atkinson High. Teams participating will be Valentine, O'Neill Grades, St. Joseph's, Ewing, Bassett, St. Mary's, Long Pine and Atkinson. For this tournament St. Mary's and Valentine were ceded. This tournament will give you a real look at what the future stars of Northeast Nebraska will look like.

There has been some talk going on in Omaha to obtain in that Metropolis the first major league baseball team to ever come into Nebraska. At present there is but one recognized team in the state besides the Junior Legion teams and that is Norfolk of the Western League. Omaha is bargaining with some major league club to obtain our first city as a farm.

O'Neill High lost a valuable man last Monday when Bob Mitchell was forced to check in his suit as basketball interfered with his new job, but a few days later they received a new player into their ranks again. Don Lowery who has been ineligible for the first semester again took up his first team suit and began to practice.

St. Mary's has run up another record this year by so far winning 12 out of 16 games this season.

Sportcomings

Friday, January 24—St. Mary's over Butte.

Incidentally our predictions for last week came out half and half to give us a .500 average.

Senator Asimus Active In State Legislature

Senator Asimus introduced two bills in the legislature the past week. One was to reduce the fishing and hunting licenses to \$1.00 for both, instead of \$1.50 for both as now charged. The other was to make the automobile and license tax payable semi-annually, instead of all at once at the beginning of the year, as at present. They both have merit, but it takes so much money to run things at Lincoln and if it is cut off of one item of taxation it will be placed on another.

Unemployment Benefits Are Increasing

Unemployment compensation benefits totaling \$4,896.00 were drawn by eligible unemployed persons in December, 1940, in the area served by the Norfolk office of the Nebraska State Employment Service, Manager Walter A. Steffen has announced.

The Norfolk office's area includes Antelope, Boyd, Brown, Cedar, Dixon, Holt, Keya Paha, Knox, Madison, Pierce, Rock, Stanton and Wayne.

The total for December was distributed in 540 checks. Average weekly check was \$9.39.

In the preceding month, November, 1940, 305 checks totaling \$2,621.00 were drawn, while the year before, December, 1939, 259 checks amounting to \$2,154.00 were distributed to eligible jobless persons.

During 1940, the second year in which benefits were paid by the Nebraska unemployment compensation division, \$1,840,806.22 was distributed in the state, to bring the total of all benefits paid since January, 1939, to \$3,145,329.63.

Despite an increase in benefits in the second year, over half of Nebraska's covered employees will receive reduced rates for 1941 under experience rating, the division has announced.

Continental Oil Company Will Still Use Country Papers During 1941

Ponca City, Okla., Jan. 20—Continental Oil Company in 1941 is again allocating to newspapers a major portion of its yearly advertising budget, it was announced at the company's general offices here today.

Although Continental used almost every kind of advertising medium, the company has for several years spent the greater part of its advertising dollar with newspapers. More than 1,300 newspapers throughout the United States will share in this year's expenditures, it was stated, and the advertising is expected to reach more than 25,000,000 readers. Small town newspapers will again share in the company's plan as extensively as metropolitan newspapers.

For the past several years the company's advertising campaign has been conducted primarily to assist the local distributor of Conoco products. The 1941 advertisements will continue to feature the quality products and outstanding service of the company's local "mileage merchant."

J. R. Miller went to Ainsworth Tuesday on business.

Judge Hay Dies On Coast

(Continued from page 1.)

First elected district judge in 1930, he took office in 1931, and was serving his second term in this office, which would not have expired until January 1, 1942.

While on the bench Judge Hay had been considered in recent years as a candidate for the state supreme court, governor, senator and representative in congress, but confided to friends in refusing to seriously consider such offices, that his interest was primarily in the law and said that he had no political aspirations.

Member of State Bar Judge Hay was a leading member of the New Mexico State Bar Assn. a member of Santa Rita Lodge 44, A. F. & A. M., a Scottish Rite, 32nd degree Mason, member of the Mystic Shrine, member of Silver City Lodge 413, B. P. O. Elks, the American Legion, Veterans of Foreign Wars, Military Order of the World War and the 40 & 8 Society. In all of these lodges and organizations he took an active interest. His religious affiliation was with the Presbyterian church.

Favorite recreations were motor traveling, reading and an evening with friends. In community activities he never refused a call to serve, and his assistance was always sought in times of emergency or for the public good.

Friends Go To Pasadena

After hearing of Judge Hay's sudden death, John D. Bingham and Mrs. Bingham, and Dr. C. C. Robinson and Mrs. Robinson, together with Jesse L. Turner, left for Pasadena before last midnight, to be with Mrs. Hay. They expected to reach the coast sometime today.

Meantime no arrangements for the funeral had been announced, although it was expected the body would be returned to Silver City, for services, although interment may take place at the old family home and Judge Hay's birthplace in Pennsylvania.

Scores of friends sent messages of condolence to Mrs. Hay during the day.

The courthouse, where Judge Hay had presided for nine years was hushed and officials openly showed their grief at his untimely passing.—Silver City (New Mexico) Daily Press.
