**NOTICE OF HEARING**  
IN THE COUNTY COURT OF HOLT COUNTY, NEBRASKA.  
IN THE MATTER OF THE ESTATE OF RENA M. WEST, DECEASED.  
To: All Persons Interested in said Estate, both Creditors and Heirs:  
You are hereby notified that on the 8th day of March, A. D., 1941, Warren West, petitioner, filed his petition in the above matter setting forth among other things that Rena M. West, a citizen and resident of Los Angeles County, California, died intestate on the 10th day of October, 1937, seized and possessed of an undivided one-sixth right, title and interest in and to the following described real es-

tate, to-wit: West Half of Section Seven, Township Twenty-eight, Range Ten; South Half of the Northeast Quarter and the Southeast Quarter of Section Twelve and the North Half of the Northeast Quarter of Section Thirteen, all in Township Twenty-eight, Range Eleven, Holt County, Nebraska; that she left her surviving and her surviving spouse, Warren West, and the following children, Warrena May West and Gloria Kay West. That petitioner, Warren West, is the surviving spouse and an heir at law of the Deceased, Rena M. West, and derived title to an undivided one-third of her interest in said real property from said deceased. That the prayer of said petition is that the Court may find and determine the time of the death of Rena M. West; that she died intestate, a resident and inhabitant of Los Angeles County, California; may find and determine who are her heirs and fix their degree of kinship and may find and determine the right of descent of real property, or interest therein, belonging to said deceased; that further administration of this said estate may be dispensed with; that there are no debts against said estate and that said estate or the heirs thereof are not liable for any inheritance tax and that the claims of all creditors are barred and for such other and further relief as may be just and equitable.

That said matter is set for hearing before the County Court of Holt County, Nebraska, in the County Court Room in the Court House in the City of O'Neill, on the 2nd day of April, 1941, at the hour of ten o'clock A. M., and that if you fail to appear at said time and place to contest said petition, the Court may grant the prayer thereof.  
**DATED THIS 8TH DAY OF MARCH, 1941.**

This week boxing has taken the eye, as O'Neill skimmed by Atkinson with a 5-4 decision. The most impressive boxers we saw were Jack Dempsey (seems to me that I've heard that name somewhere before in boxing history) and Archie Bright. Their victories were impressive for the main reason that they were in better condition than the rest of the fighters, that is their wind was longer, which gave them the strength to carry on their end of the fight.

Getting away from local affairs, we were just wondering as we tried to listen to the Louis-Simon fight and afterwards the Creighton-Washington basketball game, why there isn't a station that carries these sports events that has any power, and, as a result of this all the fans that like to tune in to these affairs usually walk away from their radio with a stiff neck or a sore back after their station had faded out and they give up all hope of finding another spot where it will come in clear.

Last week, in one of the daily papers, we saw the picture of Grover Cleveland Alexander, a one time great pitcher for the St. Louis Cards, and who hailed from St. Paul, Nebraska, and we thought of the words of Knute Rockne, "five years from now the best of you will be forgotten," and so is the case of this one-time great. Now at the age of 54, Alexander is broke and looking for any kind of a job, and another sad sport case was brought to life.

Incidentally the above mentioned Grover Alexander was once offered the position of being the first string pitcher on the O'Neill baseball team, but declined it because he had just received the offer from the Big Leagues. Maybe he would have been better off had he stayed in the little city, than let the big city go to his head.  
On the St. Mary's campus this week, all sorts of ball players began to toss the horseshoe around. If by no other way, spring could be plainly seen when these boys began to swing the bat and the cry of "c'mon let's play ball" drifted across the campus.

**Cars Needed**  
Atkinson is sponsoring its annual Musical Festival next Thursday and Friday, April 3 and 4. Contestants participating in the Festival will receive criticism on their performance. This will be valuable to contestants for their final preparation for competing in the District Music Contest, which comes two weeks later.  
A large number of cars are needed to transport O'Neill students to Atkinson. Therefore, if you can possibly arrange to take a car on April 3 or 4 you will be assisting the music interests in your school and will receive the appreciation of students and teachers.  
If you can take a car, notify a music student, Ira George or C. F. Grill.

BUT on your car any halfway job is a botch. The engine's full of poison, remember, as long as it's full of scratchy Winter oil. Today then, drain and refill for Spring... But be more than half fair to yourself and your engine... Get it drained, refilled and Oil-Plated besides—all at the one same cost—all in mere minutes, at Your Mileage Merchant's Conoco station.

His Germ Processed oil—patented—contains a man-made extra "energizer." This bonds OIL-PLATING to working parts as closely as the plating on body parts. Then OIL-PLATING can't all drain down. As long as you use Germ Processed oil, the OIL-PLATING stays plated up—every mile—every hour at the curb—or standing overnight. That's why your OIL-PLATED engine is protected in advance against the worst old starting wear... much as if Germ Processed oil hadn't even quit circulating!

Likewise, when sun and speedometer both swing high, the OIL-PLATING stays plated up against needless wear. And that's more than half of the battle for oil economy. Change to Conoco Germ Processed oil that OIL-PLATES. Today! Continental Oil Company
