## On The Sidelines

By Observer

Last week's Holt County track meet didn't bring out many outstanding performers, but those that did show their stuff were good with a capital "G."

Of the best runners of the day, Shearer from Stuart seemed to pace the whole field. His speciality was the mile, which was run in 5:13, not very fast time but it was the way he paced himself and the way he put on the pressure when the rest of the runners were tired, that showed he had something. For the first three laps of the quarter mile track, he ran fourth and then as if running the 440, he pulled away from the rest of the field to win by a good 200 yards.

The Century was taken by Mille of Chambers in 10:08 with McKee of Atkinson romping home in second place. On looking from the sidelines, Coach Tegeler of Page has the best runners in the county in Jordan, Howells and Stauffer who swept their events.

As we thought, O'Neill High would better the St. Mary's points and of course they did by ten points. In fact ten points was the entire scoring of the High team but this still beat the Academy who registered a goose egg for the days work and from the way they tell it, it must have been work.

The O'Neill baseball team got underway with its first meeting and now has Dick Tomlinson at the helm as Manager. First practice took place last Sunday afternoon and many of the old faces turned up again to play the game that gives them their thrills for the week.
