## On The Sidelines

By Observer

Last Sunday afternoon the O'Neill Shamrocks turned back their first foes of the season in a practice game with the Waymans team. Their blows were well placed and gave them a 9-1 decision. Most serious handicap seems to be in the pitching staff, with but very few hurlers and those not able to deliver a lot.

The rest of the infield seems pretty well taken care of with a few of the younger boys around town holding down the posts.

It has been rumored that the Tri-State Hachery will sponsor a baseball team this year and will appear in new uniforms and play about the same schedule as the Shamrocks. First practice was to have begun last Tuesday.

Last Saturday the State-wide Recreation Marble Championship of the State of Nebraska got under way with our representative from O'Neill, J. R. Barnes not present, as there seemed to be no transportation to Lincoln. This fact didn't even make J. B. feel sorry for himself as he still has five more years to compete in the Senior Division and he thinks that in that time he should win the State Championship or at least come pretty close.

As the closing of school draws near, the sports of the schools also draw to a close and next week, the curtain is on it's way down, when the State Track meet begins in Lincoln. Of the many schools participating only one school from this section of the state is sending more than one representative and that seems to be Atkinson who is sending a four-man team to compete in the state Carnival. Those are Tut McKee, Scotty Schulz, Jack Heying, and Pock.

## Catholic Daughters Hold Annual Initiation

The annual initiation of the Catholic Daughters of America was held in this city on last Sunday, when three new members were taken into the organization. Following the initiation, a reception was held in the Assembly room at St. Mary's Academy at four o'clock in the afternoon, which was followed by the banquet, which was held at six-thirty in the evening at the Golden Hotel. Immediately following the banquet, a short program was presented, with Miss Bernadine Protivinsky giving the Welcome to the Candidates and Mrs. Ambrose Rohde, the response. Short talks were also given by Mrs. Margaret Carney, Grand Regent of the O'Neill Chapter, Rev. R. Parr and Miss Marie Siren, of Hastings, Nebraska, who is the State Regent.

Following this a short musical program was given, with Bobby Wallace playing a French Horn Solo, Lorraine Simonsen, a Dutch Dance, Betty Flood, a Piano Solo, Eileen Kelly, A Vocal Solo and Bob Parkins, a trombone solo.

Mrs. Eileen Green acted as toastmaster.

The new candidates accepted into the organization were: Mrs. Gus DeBacker, Mrs. Roseanna Smith and Mrs. A. V. Rohde.

## Catholic Daughters Elect Officers For Year

At the annual business meeting of the Catholic Daughters of America, which was held on Tuesday evening, the following officers were elected to serve the coming year taking office on June 3rd: Grand Regent, Edna Hickey; Vice Grand Regent, Margaret Carney; Prophetess, Loretta Rohde; Lecturer, Louella Uhl; Historian, Anna Von Dollen; Financial Secretary, Nora Mullen; Treasurer, Ann Jordan; Monitor, Eleanor Pruss; Sentinel, Genevieve Flood; Organist, Dorothy De Backer; Trustees, Irene Martin and Ruth Wilson.

Walter B. Warner died at his home at Broken Bow, Nebr., last Monday morning at 6:55 a. m., after an illness of four months of cirrhosis of the liver, at the age of 50 years and eight days. The Biglin ambulance went after the body and it was brought to this city Tuesday afternoon and the funeral was held Wednesday afternoon at 2 o'clock, from the Methodist church, Rev. George W. Fowler of Broken Bow officiating and burial in Prospect Hill cemetery.

Walter Warner was born in O'Neill, Nebraska, on April 28, 1891. He was the son of Mr. and Mrs. Zebedee Warner, who were pioneers of the county. Walter grew to manhood in this city and on the old farm northwest of O'Neill and after graduating from the High School he attended a business college in Omaha. Coming back to his old home early in 1911 with his father and brother, Roy, they entered the furniture and implement business in the city, in the building that formerly housed one of the oldest hardware stores in this section of the state. He continued in active business here until December, 1932, when the building and contents were destroyed by fire. About six months later he left here and had since made his home at Kearney, Nebr., and in Custer county.

On December 20, 1916, he was united in marriage to Miss Martha Belle Pendergast, the ceremony being performed in this city. To this union three daughters were born, all of who, with their mother, are left to mourn the passing of a kind and affectionate husband and father. The children are: Dorothy Helen, Gloria Frances and Carolyn Joan. He is also survived by four brothers and two sisters. They are: Roy, Newport, Elmer, Chambers, John, Atkinson, Fred, Omaha, Mrs. Alvin Stebens, Rocklin, Calif., and Mrs. Louis Jaggert, Chambers.

Walter Warner was an upstanding young man. He was one of O'Neill's active business men for several years and during most of that time the hardware, implement and furniture store of Warner & Sons was one of the largest business institutions in the county, doing an exceptionally large business. He had an extensive acquaintance over the county and was universally well liked for he was an agreeable and affable young man. He had many friends over the county who were shocked to learn of his death, as it was not generally known that he was ill. His family and other relatives have the sympathy of the community in their hour of sorrow.

## Price Trend Steady On Reduced Receipts

Slightly Reduced Receipts of Stock  
Receipts of livestock last Monday fell off slightly from a week ago at the local livestock market and prices ruled mostly steady and firm. With a continued brisk demand on all kinds, action was particularly good on the better grades.

In the calf division, an extreme top of \$12.60 was paid for steers with the bulk selling from \$11.50 to \$12.50. Heifer calves were not too plentiful and the best sold at \$10.30.

Yearling stuff was scarce and those that were here sold about in line with the prices paid here last week.

Cows were well represented and the good beef type reached \$7.25. Others not quite so fancy sold from \$6.00 to \$6.70. Plainer kinds brought from \$5.00 to \$6.00. Bulls sold from \$6.90 to \$7.25.

Hog receipts were slightly below those of a week ago. Good butchers weighing around 190 lbs. to 210 lbs. paid \$8.25 freely. Sows reached \$7.55 with the bulk ranging between \$7.20 and \$7.45. Light lights were scarce and sold mostly by the head.

The next regular auction will be held Monday, May 12.

Dr. W. F. Finley returned home last Thursday night after an absence of nearly three months, a couple of which he spent in a hospital in Omaha receiving medical treatment. While away Doc must have come in contact with the fountain of youth for he looks at least twenty years younger than he did when he went away and is also in the best of health, a fact which will be pleasing news to his many friends in this city and county.

Joe Steskel spent the week end in Omaha, where he visited friends.

## O'Neill Boy Gives Impressions Of Army Life

Dear Mr. Cronin:  
Feeling that there might be a slight difference between the life of a soldier in 1941 and 1917, I will write you a few lines for the home folks.

A soldier's day starts at 5:45 in the morning (on the dot), when a lot of sleep-weary boys wish they were home, (I for one), so they could let the call go unheeded. One thing about home, there were no K. P. duties or other details to be handed out, as the higher-ups saw fit. The army doesn't make you do anything, but before everything is settled, you wish you had done it.

The week days from Monday morning to Saturday noon are spent in marching and drilling and is generally very interesting, but if over-done can become very monotonous.

Shoes in the infantry seem to catch the hardest use. About two weeks and soles are ready to be discarded, but it seems as if there is an endless supply of them. Other articles of clothing are issued as they are needed. One part of camp life I can sincerely say is that most of the boys don't like doing their own laundry. Although the government takes care of the bed linen, and the wool shirts have to be sent to the dry cleaners. Such articles as socks, handkerchiefs, underwear and towels are generally done by the boys themselves, for you know that one can't live too high on \$21.00 a month, and having your laundry done elsewhere is somewhat of a luxury.

From Saturday noon to Monday morning can be spent as the soldier sees fit. Some of the boys spend their time in town while others generally do their laundry. These two days seem to be the longest of the whole week. Saturday morning is a bad moment in itself, for the weekly inspection takes place. The tents must be scrubbed clean and dusted. Rifles must also pass inspection and a complete bunk display shown. This consists of all the equipment a soldier takes into action with him.

The weather here is generally mild, although the first few days I just about froze 'ot death in these tents. Today is windy and pretty hot. If you think the dust blows in Nebraska you should be here today. Trees are all leaved out and everything is green and in bloom but I, for one, say there is no place like Nebraska.

Sincerely yours,  
Private Walter Donohoe,  
Co. E., 134 Infantry,  
Camp Robinson, Ark.

## Two O'Neill Boys Selected To Attend Boys' State

Rex Oberle, a junior in the O'Neill High school and Jack Harty, a junior at St. Mary's Academy, have been chosen by the Commercial Club and by the American Legion, respectively, as their candidates for Boys' State, which is to be held this year at Lincoln from June 7 to 14th. Boys' State, which is sponsored by the American Legion is one of the outstanding events of the year, and all boys chosen are recommended by the faculties of their schools as outstanding not only in scholarship, but also in leadership, and athletics and in general the most outstanding boys in their class. This year is the fourth annual Boys State to be held in Nebraska.

## A Tribute To Mrs. Joseph Maring

This locality was shocked when the first news came through our local paper that Mrs. Joe Maring passed away very suddenly after a short illness. It shows how isolated some of us rurals are. The Murray family moved here from Colfax county in the spring of 1897 and rented the J. P. Mullen farm four miles north of Emmet where they resided for one year and in the spring of 1898 they leased the old Dennis Kelly place, known as the Slocum post office. Later on, about 1900, they purchased the place, that consisted of 320 acres and it was considered an exceptional good buy, through Mrs. Katherine Hynes and a daughter of Mr. Kelly, and they have continued to live here ever since. Miss Nellie taught school for several years prior to her marriage in 1900 and was considered very successful in her profession. About this time they purchased the Ash land in Rock Falls township. Later on they added another quarter adjoining making a very commodious ranch. Trail blazer leaders they devoted their years, among other things, to the preservation of good will among their neighbors of all creeds. For their tolerance and good will and charity among their neighbors we take pleasure in doing our small part in honoring the memory of the late Mr. and Mrs. Joe Maring, who richly deserve honor.

A Friend, Ed.

## Hallie Belle Myer

Mrs. Hallie Belle Myer died at her home in Inman last Friday afternoon at 3 o'clock after an illness of about two years of a paralytic stroke, at the age of 53 years and three months. The funeral was held last Sunday afternoon from the Methodist church in Inman, Rev. Maxcy officiating and burial in the O'Neill cemetery.

Hallie Belle Waters was born at Widna, Wisconsin, on February 3, 1888. On December 27, 1905, she was united in marriage to James B. Myer at Washoda, Kansas. To this union twelve children were born, eleven of whom are living, with the father to mourn the passing of a kind and affectionate wife and mother. The children are: Mrs. Floyd DeLong, O'Neill; Mrs. Belle Cunningham, Page; Mrs. Gilbert Noring, Inman; Mrs. Merle DeLong, O'Neill; Melvin Myer, Inman; Mrs. Peter Weber, Inman; Mrs. Ralph Burival, Deer Island, Oregon; Mrs. George Stull, Atkinson; Donna, Charles and Robert, at home.

Mrs. Myer came to this county with her family in 1916, coming here from Orchard, Nebr. For several years they lived on a farm north of this city but about a year ago moved to Inman where she made her home up to the time of her death. She had a large number of friends in the country north of this city, where she was well known and they will regret to learn of her passing in the very prime of life.

When you think of glasses, think of the Perrigo Optical Company. New scientific instruments have been added to our territory equipment. We now bring you a better service than ever before. See us at Golden Hotel in O'Neill, Monday, May 12th.

Mrs. Loren Nelson spent several days last week visiting relatives and friends in Omaha.
