Here's Your SUMMER KITCHEN!  
Yes, a summer kitchen you can pick up and plug in anywhere, on the porch, in the kitchen, in the dining room. That's the beauty of Electric Roaster cooking in summer time.  
Your roaster will bake, boil, roast, broil, or fry, as you desire. It will cook a complete meal, meat, vegetables, and dessert for as many as eight people, without heating up the kitchen in the slightest.  
It's so good looking it can be put on the table and the meal served from it. It will keep food hot for a long time after the current is turned off.  
It's grand for a hot-meal picnic. You'll really enjoy an Electric Roaster.
