Sunshine Sewing Club

The Sunshine Sewing Club held their fifth meeting at the home of Bob Allen on June 27. All of the members except one were present. A delicious lunch was served at the close of the meeting by Mrs. Bessie Allen. The next meeting will be held at the Albert Miller home.

Adam Martin Bazelman

Adam Martin Bazelman died at the Stuart hospital last Saturday evening at 7:45, following an operation for gall stones performed Thursday evening. The body was brought to this city that night and the funeral was held Tuesday morning from the Catholic church, Rev. Monsignor McNamara officiating and burial in Calvary cemetery.

Deceased had been in failing health for the past six months, but his condition was not considered serious. A week ago last Thursday he went to Stuart and entered the hospital there. He was kept under observation for a week and last Thursday evening was operated upon. He seemed to rally after the operation and it was thought that he would soon recover. But he took a change for the worse Saturday and passed away Saturday evening.

Adam Martin Bazelman was born in Bergenup Soam, Holland, on February 28, 1875, and was 66 years and three months old at the time of his death. In 1881 the family came to America and they located in Kansas where they remained for one year. In 1882 they came to Nebraska and located north of Atkinson, where they resided for six years and then moved to this city, which had been his home up to the time of his death. He received his education in the O'Neill schools and when school days were over entered into business with his father and brother. For several years they operated a lumber and coal yard and had a very extensive business.

On April 26, 1900, he was united in marriage to Miss Monica Vandernick, of Ewing, Nebraska. Six children were born of this union, three sons and three daughters, five of who serve their father, Mrs. Bazelman passing away in December last year. The children are: Mrs. Marie Kallhoff, Ewing; Mrs. Nina Psotta, Pilger, Nebraska; Joseph and Francis, O'Neill; Mrs. Josephine Clements, O'Neill. He is also survived by one brother, Fred, of O'Neill.

Martin was actively engaged with his father in the milling business in this city many years ago, until fire destroyed the mill. Later they went into the lumber and coal business, which he operated successfully for many years. In the height of their success fire destroyed the yard and its contents. The buildings were replaced but the depression coming along he never actively got into the lumber business again, but got into the oil business with his sons and they have been extensive operators for several years. Martin was a good citizen and especially well posted on current affairs, being an extensive reader. He will be missed by a large circle of friends, as he had an extensive acquaintance over the county.

Project Club Delegation

Holt County was again placed on the map when 38 members of project clubs attended the Nebraska Council of Home Demonstration Clubs in Hastings last week. The group, which was one of the largest of any county in the state, enjoyed a fine program of music and educational speakers which was headlined by Mrs. David Simms, of Hastings, a lady who gave a splendid report on her travels "South of the Equator."

The Holt County group was headed by Mrs. George Rector of O'Neill who was an official delegate along with Mrs. Blanche Pease of Atkinson, and Mrs. A. L. Borg of O'Neill. Reports of the convention indicate that every project member attending was very much enthused with the program and would like to be able to attend again. Those attending from this county were:

THE KEY TO THE CITY

Kenneth Stewart Shot Through Head With Rifle.

Kenneth, fourteen-year-old son of Mr. and Mrs. Emory Stewart of this city, was accidentally shot last Tuesday afternoon about 2:30, when a 22-caliber rifle in the hands of a playmate, Keith Lush was accidentally discharged, when Keith stumbled and fell, the shot entering the lower right side of Kenneth's jaw, went over and knocked out two of his teeth from the lower left hand side, and was deflected upward where the bullet lodged in the upper left hand side of his jaw.

The boys had ridden their bicycles to the river, south of town, and were walking across the field, when the accident occurred. They returned to their bicycles and Kenneth rode as far as the filling station south of town, where they stopped and Mr. Higgins brought him on to the Doctor's office.

Kenneth is still in the hospital, where he was taken by the Doctor, and the reports this morning are to the effect that he is on the road to recovery.

Highway No. 20 Now Completed In Nebraska

The last unfinished gap of U. S. Highway 20 at Harrison, Nebraska, was completed Saturday June 28th making U. S. Highway 20 an all weather hard surfaced route across the United States from Boston, Massachusetts to Yellowstone Park a distance of 2,385 miles.

Due to its recent construction through Nebraska and Wyoming it was laid out and engineered for fast trans-continental travel, sharp curves being eliminated and towns by-passed where possible.

During the year 1942 portions of the Highway will be reconstructed and further improved but for the year of 1941 Highway 20 enjoys the distinction of being one of the few east and west routes without a single detour.

In 1940 the U. S. Bureau of Roads extended U. S. Highway 20 from the west entrance of Yellowstone Park to Albany, Oregon, on the west coast.

Through Idaho the Highway as recently marked will be located south of Sun Valley and will cut through the scenic Crater of the Moon Country of Idaho.

The few remaining gaps of this extension from Yellowstone Park through Idaho and Oregon to Albany, Oregon, when completed will make U. S. Highway 20 the shortest and most direct all weather route from coast to coast across the United States for Tourist and Commercial travel.

At the close of the 1941 Tourist Season the National Highway 20 Association, representing cities and towns along the line from Chicago, Illinois, to Albany, Oregon, will celebrate the completion of the Route with a 3 day convention. At this convention delegates will travel east from Albany, Oregon, and west from Chicago, Illinois, in caravan formation and meet at the city in Wyoming or Idaho designated for the convention.

Another Pioneer Passes Away, Funeral Yesterday.

Mrs. Minnie L. Phillips passed away at the home of her son, Robert, at Eagle, Nebraska, on June 23, 1941, after an illness of about two years, at the age of 77 years and 10 months. Biglin Brothers ambulance went after the body and it was brought to this city on Monday afternoon. The funeral was held Wednesday afternoon at 2 o'clock, from the residence of her son, Ralph, at Star, Nebraska, Rev. V. C. Wright officiating and burial in the cemetery at Star at the side of her husband, who passed away in February, 1921.

Minnie L. Lane was born in Jamestown, Wis., on September 1, 1863. In 1882 she came to Holt county from Wisconsin. On March 14, 1887, she was united in marriage to Frank W. Phillips, the ceremony being performed in this city. Nine children were born of this union, of who eight survive and are left to mourn the passing of a kind and affectionate mother. The children are: Volney, Raymond, Alberta Canada; Ralph, Star, Nebraska; Mrs. Elma Grady, Tracy, California; Byron, Missouri Valley, Iowa; Bernice, Omaha, Nebraska; Robert, Eagle, Nebraska, Walter, Venus, Nebraska; Lysle, Aberdeen, Washington. There are also thirteen grandchildren.

Mrs. Phillips had always enjoyed good health until about two years ago when her health began to fail but she was not seriously ill until about a month ago, since which time she had been confined to her bed. She was one of the pioneers of the northeastern part of the county, where she lived for 58 years. Since the death of her husband she had lived with her son, Ralph, at Star, until about one year and a half ago when she went to Lincoln and made her home with her son and since then lived in Lincoln and at Eagle, Nebraska. For many years her husband was one of the most prominent men in the northeastern part of the county, where he had a large ranch, with land in both Holt and Knox counties. In 1911, he built a home across the line from Holt county and the last ten years of his life he was a resident of Knox county. While a resident of this county he represented his district for many years on the County Board, where he was one of its most prominent members. He also served this district in the state senate in 1907 and 1908. During his activities in the political life of the county his home was a gathering place for the young people of that section of the county and visitors always found Mrs. Phillips a charming and entertaining hostess and the stranger always found a welcome in her home.

With her death another of the pioneers of the county has passed to the great beyond. She was of that race of hardy pioneers who assisted her husband and children to master the great open spaces and to make this a country for the rising generation. She was a charming woman and had host of friends in the eastern part of the county who will learn with regret of her passing.

Mrs. Kubitschek's Mother Passes Away.

Mrs. F. J. Kubitschek left Saturday morning for Omaha, having been called there by the serious illness of her mother, Mrs. Lelia B. Van Sant of that city. Mrs. Van Sant, who was eighty years of age, died at her home at 1008 South 29th street, Omaha, on Monday afternoon, and funeral services were conducted from the Crosby-Meyer chapel on Wednesday afternoon at three p. m., with burial in the Forest Lawn Memorial Park cemetery in Omaha.

Frontier Classified Advertising Pays Well

Mike Englahaupt, one of the old time settlers in the southwestern part of the county is convinced that advertising in The Frontier pays. Mike ran a classified in the last issue of The Frontier, which he ordered run for two weeks. A card received from him Tuesday told us to kill the advertisement as he had sold his binder to a Frontier reader living near O'Neill, so for the expenditure of 50 cents Mike made a \$100 deal. When you have anything to sell use The Frontier classified ads. You will find that they are producers, as they bring seller and buyer together.

Joe Mann made a business trip to Sioux City on Tuesday.

O'NEILL WOMAN TAKES HER OWN LIFE, POSSIBLY SUNDAY NIGHT

She Lived Alone And Body Was Not Discovered Until Tuesday Evening.

Last Tuesday evening the body of Mrs. Pearl Irwin was found in the back room of her little store room on Fourth street, two doors north of the alley. The door of her place of business had been closed for a couple of days and Mr. Kincaid, a Rawleigh salesman, had a little stock of his goods in the store and when he came to town Tuesday evening could not raise anyone. He waited until about 6:30 then got Policeman Grenier and together they went down to the store and in looking in the back door, under the window shade, they could see her body lying on the floor. Mayor Kersbrook was then called and when he arrived he forced the back door and Mrs. Irwin was found on the floor dead, with a revolver lying a few feet from her. She had shot herself in the side, the bullet evidently striking the heart and dying instantly as there was no blood on the floor. She had shoes on and a nightgown and it is supposed that she took her life sometime Sunday night or early Monday morning and the body was not in

very good condition. No inquest was held. Wednesday, about noon, a funeral director from Naper came over here and took the body back to Naper for funeral services.

Mrs. Irwin came here about two years ago from Butte, Nebraska, and she operated a little notion store on Fourth street. Business was very poor and lately she had been on the sewing circle and later an assistant in the children's recreation. She lived in the back part of her little store building, which she occupied alone. She was a divorcee and the present whereabouts of her former husband is unknown. She leaves two children, a son and a daughter. The son, Victor Irwin lives at Long Beach, California, and her daughter, Mrs. Elaine Couch lives at Wayne, Nebraska. She is also survived by two brothers and two sisters. They are: Lloyd Palmateer, White River, S. D.; Floyd Palmateer, in Oregon; Mrs. Earl Smith, Naper, Nebraska; Mrs. Robert Benton, Gillette, Wyoming. Mr. and Mrs. Smith, of Naper, came over here Wednesday morning when notified of the tragedy.

Lawse—Hoefs.

One of the prettiest weddings witnessed in these parts for some time was that of Veronica Hoefs of Wood Lake, to Thomas Lawse of Fort Madison, Iowa. It was in Sacred Church, Long Pine by the Rev. R. F. Barry.

Given in marriage by her stepfather, the bride wore an exquisite gown of white net with the fitted bodice, lace sleeves, and a two yard train with a finger-tip veil and orange blossoms; she carried a prayer book, gift of her pastor, Rev. R. F. Barry, covered with white roses, and streamers also ornamented with white rose buds.

Monica Hoefs sister of the bride, was maid of honor, gowned in peach taffeta with blue streamers, matching band and bow on her head, and carried a blue delphinium bouquet. Miss Edna Smith of Utica, S. D. was bridesmaid gowned in turquoise blue with peach streamers, matching head band and bow and carried a bouquet of peach gladiolas. The Stinson twins, Marge and Mary Jane, of Norfolk played and sang for the ceremony. Paul Hoefs II, brother of the bride acted as best man. Neal Keller of Cascade, Nebraska, was the groom's attendant. Ralph Langer and Bob Harp were ushers. James Anderson of Long Pine was ring bearer. Flower girls were Josephine Anderson of Long Pine and Lorraine Fagan of Omaha.

Those attending the wedding from a distance were the groom's parents, Mr. and Mrs. A. J. Lawse, Mrs. J. Poetting, Miss Bertha Dusenberry all of Fort Madison, Miss June Rossiter of Hartington, Mrs. Phillips of Arkansas City, Kansas, Mrs. Johnson and daughter Beverly of Omaha, Miss Wynone Brown of Cody, Mr. and Mrs. J. F. Keller and Lillian, Mr. and Mrs. Willard Keller all of Cascade, Mrs. Prible, Geneva and Ruth Prible and Madeline Hynes all of O'Neill, Nebraska.

Following the ceremony dinner was served to a hundred guests at the ranch home of the bride, after which the young couple left for Council Bluffs, Iowa, to spend Sunday with the Bride's sister, Sister M. Pualette, R. S. M. before leaving on a two week honeymoon at Lake Okoboji and other northern points of interest, after which they will return to their home in Fort Madison and the groom will resume his work as a lawyer.

Blue Grass Seed Nets Holt County Over \$300,000

The blue grass stripping, which has been in progress in Holt County for the past month, is practically completed, and it is estimated that Holt County farmers and land owners received in excess of \$300,000 for the seed, most of which was purchased by buyers from Missouri and Kentucky. It is estimated that the \$300,000 which the farmers received is only half of the amount expended by the blue grass buyers as the balance was expended for labor and the stripping machines.

The Weather

A total of 1.45 inches of rain has fallen in O'Neill the past week, bringing the total rainfall for the month of June to 3.50 inches, exceeding by .71 the total rainfall for the month of June during 1940. The rainfall was much heavier in the northern, western, southern and eastern parts of the county than it was in this city. In the country north of O'Neill, and which extended, we understand clear across the county, the rainfall last Friday night, Saturday morning and Saturday night reached a total of between four and five inches.

The small grain harvest has started in some parts of the county, with rye being the first crop to be harvested. Most farmers report excellent yields, with the heads being large and well filled out. Pastures in general, are in the best condition they have been in for several years in this part of the state, and all conditions point to one of the best years the farmers have had for the past ten years.

The weather chart for the past week is as follows:

| | H | L | Pre. |
|-----------|----|----|------|
| June 26th | 88 | 66 | .13 |

Announce Country Club Ready For July 4th.

Arrangements are about completed for the annual July 4th celebration at the O'Neill Country Club. The committee consisting of C. V. Sullivan, chairman, Ben Grady, Fred Harper, Norman Gondringer, "Scovie" Jaszowski and Max Wanser, is working industriously to make this the greatest 4th of July celebration ever to be held at the Country Club.

The program will consist of games for the kiddies, athletic contests and special golf contests for the ladies and men. All members and their families are invited to bring their picnic supper and spend an enjoyable evening at the club. The usual spectacular display of fireworks will take place late in the evening.

Plans are now being made by Chairman Fred Harper for another Golfer's Day to be held later in the season. Last year this was one of the biggest and best events of the season and everyone is looking forward to another successful Golfer's Day.
