

\$300,000 Grain Elevator Fire

This spectacular picture was taken just as a billow of white hot flame blew off the top of a United States Grain elevator, in Chicago, during a \$300,000 fire, of mysterious origin. HOUSEHOLD HINTS

Bed sheets shorter than 108 inches will not tuck in securely at each end of an ordinary full-sized bed.

No good soups are greasy. Skim hot soups by dropping a piece of damp cheesecloth into the liquid. The grease will quickly adhere to it.

When spreading meringues on cakes, puddings or desserts dip your spoon frequently in cold water. This makes the meringue easily slip off the spoon and have a smooth surface.

Sponges can be cleaned by soaking them overnight in warm soapy water to which lemon juice or borax has been added.

J. Fuller Pep

By JERRY LINK

Cousin Carrie has things figured out. "Fuller," says she, "passin' me my second helpin' of KELLOGG'S PEP, 'the reason you're a go-getter is because you're a come-backer.'"

And I got to admit, KELLOGG'S PEP has got me goin' and comin'—goin' and gettin' things done and comin' back for more PEP each mornin'. That's what comes of gettin' all your vitamins. KELLOGG'S PEP hasn't got 'em all, of course, but it's extra-long in the two that are extra-short in lots o' people's meals—vitamins B₁ and D.

Kellogg's PEP

*Per serving: 1/2 the daily need of D; 4/5 to 1/3 the minimum daily need of B₁.
