A 'Mixed' Artillery Battery in Britain

The present World war is an experimental ground for many things that "were never done before." Typical of the never-nevers was the fetish that men and women could not work or fight together in the same regiment. At an artillery practice camp in England these taboos are ousted. Left, we see men and women of the battery parading together, and on the right they are receiving gun instruction together. The test is successful.

Strike Stops Warship Building

While work on some \$373,000,000 worth of warships and merchantmen remained at a standstill, these members of the C.I.O. industrial union of America picketed outside the yards of the Federal Shipbuilding & Dry Dock company at Kearney, N. Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste
Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fall to remove impurities that, if retained, may poison the system and upset the whole body machinery.
Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!
