SOUTHWESTERN BREEZES

By Romaine Saunders

December 21, honey bees humming in the sunshine. Another week of '41 and when we write it '42 its just another day on the calendar.

"Hear this, all ye people; give ear, all ye inhabitants of the world". Believe Elsie Robinson is the first writer since the inspired penmen of Holy Writ left their message to flare at us, "Listen, World!"

If the vast energies of the husk- Former O'Neill Woman ies depicted on the sport pages can be put to use at something in this national crisis beside tossing balls around, a worthwhile accomplishment will be acheived.

Our first great national sacri-fice to the gods of war is the wea-ther bureau's daily forecasts. But violent temperature changes. We still have the almanacs.

Mr. and Mrs. Baker had business at Albion a day last week. A saw nothing that interested him.

Swan precinct has just acquired daughter being born to Mr. and Mrs. Howard Berry.

Mrs. Ned Saunders and brother, Don Jackson, came up from Lincoln Sunday. They were accompanied back to Lincoln by Mr. and Mrs. R. Saunders, who expect to remain there a few weeks.

Rabbit hunting has become something of a night sport, like baseball. Jacks have little chance now when automobiles roll over the prairies with glowing lights carrying one or more sharp in very good health for a few 95. These were really choice in have been received by the local southwest of Atkinson, who was In the lower bracket (the lower carrying one or more sharp fascination for the rabbits, being years. drawn into its glare as bugs on a summer night, and great numbers Santa Claus Feeds of them are being taken by night | The Little Ones Friday prairie raiders.
