The Frontier is always glad to give publicity to the meetings of the various Clubs throughout the county, who are engaged in extension work. But the reports of these Club meetings must be sent into this office the week following the meeting, or we cannot use them. Several of the Clubs have been in the habit of sending in reports two and three weeks after the meeting. It can be readily seen that these items have lost their news value by that time therefore we cannot use them. So if you want the reports of your Clubs printed get the copy in right after your meeting.
