

WE welcome the New Year because we know it marks the beginning of another chapter. The stage is set for another act. Looking backward we see the things we might have done, but did not. Looking forward we see the things we plan and resolve to do. May the sun shine brighter, the days grow longer, may new hope invigorate and cheer us. The Year of Grace One Thousand Nine Hundred and Forty-two is at hand, and we welcome its arrival.

We also welcome the New Year because we know it will bring many new opportunities to be of service to you, and to express through this service our sincere appreciation of your friendship. We wish you a very **HAPPY NEW YEAR!**

A TOAST TO OUR FRIENDS

Now—when that priceless thing called Time occupies the spotlight, we pause to consider that priceless thing called Friendship. In our business we could not be without it, and because we value it so highly we are de-

termined, during 1942, to take still further steps to merit your continued friendship and loyalty to us. May the sands of the hourglass bring you many golden hours of happiness in the year to come.

And now we're ready to sponge off the slate and start a spoolless page. May that page of 1942 be the red letter page of all your lives . . . may the records which are to be written thereon become more glowing and successful as the year advances, and may the chief entries of Auditor Time be Health, Happiness and Prosperity.
