O'Neill Students are assisting in salvage work to secure supplies needed for war production.

Mr. James Rooney, Salvage Chairman of Holt County, gave an enlightening talk to the junior high and high school students in the O'Neill Public School last Thursday afternoon on the importance of salvage in meeting our war needs. Such materials as waste paper, old rubber, and scrap iron are especially valuable in the manufacture of war supplies.

The students in the Public School have organized a Salvage Crew with Harold Calkins as Chairman, Warren Burgess, co-chairman, and Ted Manzer as Adviser.

There will be a crew of sixteen students work this Saturday, with eight for the morning shift and eight for the afternoon shift.
