**Save MONEY!**

**PAY UP YOUR DELINQUENT TAXES**

You Save Money By Paying Your Back Taxes Before July 1, 1942

The last legislature passed a law taking all the back interest off of the Real Estate and Personal Taxes that had accumulated up to, and including March 8, 1939.

This law has been limited to persons paying these Delinquent Taxes by July 1, 1942, and after that date, the original rate of interest that had accumulated and is chargeable to both Real Estate and Personal Taxes, will again be charged to your regular tax whenever it is paid after that date.

**EXAMPLE**

**A**

Taxpayer owes for 1934 Taxes.....	\$50.00
Pay on June 30 .....	61.57
Pay on July 1, 1942 .....	75.80
Save by paying before June 30.....	14.23

**B**

Taxpayer owes for 1927 Taxes.....	\$50.00
Pay on June 30.....	61.57
Pay on July 1, 1942.....	111.11
Save by paying before June 30.....	49.54

Therefore, I am urging every Taxpayer to check up on all Delinquent Taxes and make an effort to pay them while this saving can be made. After June 30, 1942, your opportunity to do this will have passed.

Every citizen will be obliged to pay their taxes one way or another — so pay them before July 1st, 1942.

Save Money — the cancelled interest often will amount to as much or more than the taxes themselves.
