The Neligh and Holt County Legion baseball teams played again in Emmet Sunday. The game was scheduled to be played in Neligh, but the field there was too wet. Emmet seems to have the only good ball diamond in this territory and we would be in favor of all of the games being played here. Neligh won the game Sunday after a hard battle in the ninth inning. The score was 10 to 13. The next game is to be played in Neligh on June 28.

Mrs. John Conrad and Mary Lou drove to Stuart on Monday. They visited with Alda Givens and her new daughter.

Dewey Schaffer was in from the south country Tuesday. Larry came in too, and he claims that instead of herding his Dad's cattle he had been kept pretty busy driving the fish off the meadow and back into the lake on their ranch. Most of the south country has been under water since the heavy rains last week. Several bridges and culverts were washed out and bluegrass strippers found themselves stripping seed in water about a foot deep over lots of the meadows. Haying is scheduled to start here in a week or ten days and the meadows have a lot of drying off to do before that time.

The young folks in and around Emmett treated Tede Daily and his new wife to a real old fashioned charivari Monday night. They made a lot of noise, but there weren't any shotguns there. Guess everyone was saving the shotgun shells for the Japs. Mr. and Mrs. Daily passed candy and cigars, and believe they are to entertain the crowd at a dance, too.

Rev. and Mrs. Peacock returned Wednesday evening from a few days visit at Bassett.
