Special Sale at Private Treaty

Nineteen Holt County Farms

(OWNED BY FREMONT AND LINCOLN JOINT STOCK LAND BANKS)

We have recently sold a few farms in this field. We are anxious to dis-

pose of the remainder of our properties in Holt county, but if not earlier

sold, we now plan to include them all in one Auction Sale to be held in

O'Neill in late July or early August. We prefer to sell them at private

treaty. We are in position to make good terms and may either assign the

present leases to new buyers or retain the rents and give full possession the

first of next March. If acquainted with our lands, submit an offer, even

though you may need some additional time on the earnest money payment.

If not familiar with them, consult the list, make an inspection and an offer
