Sale to Be Held in Knights of Columbus Hall in

SALE STARTING PROMPTLY AT ONE-THIRTY P. M.

Our banks loaned a great deal of money on farms in Holt county, Nebraska. They reluctantly acquired a number of properties. Many have been refinanced or purchased by former owners, others have gone to new purchasers. We now wish to dispose of our remaining properties in this field—hence, this auction sale. For some time we have been taking our farms and ranches county by county and selling them at auction. They have frequently sold to low. Surely the sale of the properties described in this advertisement is a matter of enough importance that farmers, stockmen, businessmen, investors may profitably spend a few hours at this auction as our guests. We shall appreciate your presence. Consult our men about properties and sale terms.

We are required to reserve one-half of all oil, gas and minerals from all lands offered.
