Thank You, Friends!

Last week some 600 of my friends and neighbors placed an advertisement in The Frontier urging the Fourth District to send me to Congress.

This wholehearted support by the people who should know me best is a tribute I value most highly. I take this opportunity to thank my friends for this token of their belief in me.

If you nominate and elect me to Congress, I promise to expend all the effort and energy I possess to merit the confidence and support, not only of these neighbors, but of the entire district.

My friends believe I am old enough to have judgment and yet young enough to work for good government.

Friends, thank you again, and let me say in all sincerity

Ross Amspoker

for State Senator

The Voters of the 28th Legislative District, (Holt, Boyd, Rock, and Keya Paha Counties), should consider the qualifications of Ross Amspoker of Springview as a Legislative candidate at the August 11th Primary.

Mr. Amspoker was a member of the State Senate in 1927 and 1929 when most of the State and Federal Highways in this part of Nebraska were located and established by Legislative Act.

He is a careful lawyer, a prudent and substantial business man, with an active personal interest in the upbuilding and development of North Nebraska. An experienced Legislator who can be depended upon to support an economical pay-as-we-go Legislative program.

Look for the name of Ross Amspoker on the Non-Political Ballot at the August 11 Primary.
