HENS NEED WIDE RANGE OF VITAMINS SAYS U. S. EXPERTS The U. S. Department of Agriculture and other leading authorities report that 11 different vitamins are needed for the normal nutrition of poultry. They are: Vitamins A - D - B1 - G - B6 - E - K - H - Chlorine - Calcium Pantothenate and Anti-Gizzard-Erosion Factor. Authorities also report that natural feedstuffs as grains, milk, etc., are unreliable sources of vitamins, which explains why a feed could be "strong today," but "weak" tomorrow. So why not try Shamrock Laying Mash? It is strengthened against hidden weakness and partial deficiencies by VITAMELK—special concentrate made by Shamrock's affiliated laboratory that contains rich amounts of all eleven vitamins mentioned above, plus five essential trace minerals. Shamrock "16 Cylinder" Laying Mash sells for less than most national advertised laying mashes and we don't think any feed is any better. It is manufactured by

O'Neill Public School And Academy Students Celebrate Scrap Drive A very enjoyable "Scrap Victory Rally" was held in the new school auditorium Friday afternoon, November 13. All of the school youngsters from the West Ward School, St. Mary's Academy and the Public School participated. It was also a treat to see so many of the parents present and interested in this celebration of the fine job the young people of O'Neill did in collecting scrap several weeks ago. The two bands of the O'Neill schools joined in providing music and rhythm for the rally. There was cheering and singing. Mrs. Guy Cole of Emmet and Harry Ressel, county scrap chairman, gave interesting talks concerning the scrap drive and what we can do on the home front to achieve Victory. Mayor Kersbrook was very much interested in the success of the scrap drive. The young people certainly appreciated the ten gallons of ice cream to which Mr. Kersbrook treated them during the afternoon of the day they were all laboring with the scrap. In addition, twenty dollars in cash prizes was contributed by Mayor Kersbrook. On the day of the Victory Rally he awarded prizes as follows: O'Neill Public School High school students: 1st, Lu-Etta Johnson, \$3.00, 20,384 lbs.; 2nd, Lorraine Ernst, \$2.00, 8,296 lbs.; 3rd, Edwina Jones, \$1.00, 6,390 lbs. The foregoing results show that girls are better scrap-ers than boys. Grade pupils: 1st, Dickie Godel, \$2.00, 2,335 lbs.; 2nd, Richard Tibbets, \$1.00, 1,302 lbs.; 3rd, Robert Matthews, \$1.00, 1,000 lbs. St. Mary's Academy 7th and 8th grades (winners in grades) \$5.00, 26,000 lbs.; Seniors, (winners in high school) \$5.00, 32,725 lbs. The young people always enjoy having the adults of the community show an interest in what they are striving to do to the best of their ability. A little encouragement from older people is always a boost for young people. The Academy High School, West Ward School and the Public High School averaged over 500 pounds of scrap per pupil and are candidates for a Victory Scrap Flag from the Ak-Sar-Ben Organization in Omaha. The following individuals were not prize winners but brought in plenty of scrap: Raymond Noble, Dorothy Ann Davidson, Robert Cole, Owen Cole and Bonnie Noble turned in between two and three tons each. Forrest Riley, Lois Cole, Charles Johnson, Walter Manley, Nadine Herefin, Ralph Rector, Bennie Johring and John Hamilton turned in between one and two tons each.

Two Autos Tangle Four Miles North Of O'Neill Cars driven by Claude Hamilton, Jr., and Mrs. Francis Kelley were in a collision last Saturday night 4 1/2 miles north of this city. Claude Hamilton was cut and bruised around the head and face, the other occupants of the car escaping injury. The Hamilton car, 1941 Chevrolet, was wrecked. The car driven by Mrs. Kelley, a 1942 Plymouth, was not seriously damaged and the occupants of the car suffered only minor injuries.

PRODUCTION OF AUTO TABS IS DELAYED Production of the small auto license tabs has been delayed at the state reformatory due to inability to get stamping dies. The tabs, blue with white figures, will be two-by-two inches and will be bolted or riveted to the lower right hand corner of the present plates. Car and truck owners are warned not to discard their present plates at the end of the year. —Bassett Leader.

Mrs. J. R. Miller entertained the O'Neill Woman's Club at her home Monday afternoon. Mrs. Dewey Schaffer presented a book review on "Driving Woman." Twenty-three attended the meeting.

State-Wide Blackout Test Set For December 14th State Civilian Defense Coordinator Walter F. Roberts announces that Governor Griswold has authorized a state-wide test blackout to be held the night of December 14. The test will be held under the supervision of the Seventh Service Command. All communities in the state should have their blackout machinery in perfect working order by that time, so that the test will be a complete success. There have been a few country-wide tests made already, and many tests of local communities, and in most instances the results have proved to be successful. Every citizen in every community in the state should personally see that the first state-wide test is a success.

St. Mary's Cardinals' First Game Next Week The St. Mary's Cardinals basketball team has been practicing the past week getting in shape for their first game, December 4. They will go to Atkinson, where they will play the St. Joe Quintet. The Cardinals have high hopes this year. They have five letter-men returning. They are: Captain Jack Gallagher, Leonard Engler, Bill Grady, William Kelly and George Janousek. The other members out for the team are: Bert Brennan, Richard Cronin, Jim Early, George Bosn, Richard Clark, Eddie Campbell, Jim Golden, Eddie Martin, Eddie Condan, Bill Froelich, John Baker, Bobby Wallace, Donald Wilson and Gene Streeter.

Lt. Darrel Griffith Wins Another Promotion Lt. Darrel Frank Griffith, who has had headquarters at Kelley Field, Texas, has been promoted from Second Lieutenant to First Lieutenant. At present he is an instructor at Salina, Kan., but will return to Kelley Field in a couple of weeks. Darrel is 22 years old and was commissioned a lieutenant and navigator when he graduated from Kelley Field last March. At that time he was also selected as an instructor. Darrel has many relatives and friends in this county who extend congratulations on his advancement in the armed forces.

American Legion Will Round Up Jalopies (Continued from Page One) ready coming to persons who would be eligible to buy them under any rationing program we might devise." More than 300,000 ice boxes will be produced next year, but they will use an absolute minimum of iron and steel. This number will be made in order to make up for the fact that manufacture of other types of refrigerators has been completely curtailed. Housewives and others who have stocked up on coffee will have to count all above one pound on hand November 28 as part of their ration, the OPA has ruled. Deduction of stamps to cover excessive coffee supplies held by individuals will be made when they apply for War Ration Book No. 2 sometime around the first of the year. The coffee ration regulations will provide that each consumer must retain in his ration book for later surrender, a coffee stamp for each pound of coffee he possesses in excess of one pound. When he applies for War Ration Book No. 2 he will be required to declare the amount of coffee he had on hand at the start of consumer rationing. Living costs are going up, but not as fast as they would if it were not for price and rent control. The living cost of families of city workers rose just one percent between September 15 and October 15, the U. S. Labor Department reported. That Thanksgiving turkey can help win the war even after it has done its duty on the dinner table. Turkey grease and all other waste fats are needed to make glycerine, an essential in explosives and gunpowder. Add the grease to that which you already have collected, and when you have a pound take it to the nearest meat market where you will be paid 4 cents for it. The War Production Board has assigned higher preference ratings to processors of dairy products for their equipment, maintenance and repair material by an amendment to Preference Rating Order P-118.

Wants All Pennies Put Back In Circulation The Director of the U. S. Mint, Mrs. Nellie Ross, says that too many pennies are being hoarded in children's piggy banks and elsewhere, and she asks that everyone get their pennies into circulation again. The lowly penny contains copper, a very valuable wartime metal, and people should cooperate by spending their pennies so that more of this metal will not have to be used to coin pennies to take the place of those kept out of circulation.

Busy Hour Club The Busy Hour Club met last Thursday afternoon at the home of Bessie Wayman with nine members present. An afternoon of entertainment was enjoyed by all. Linda Wayman, Zillah Miller and Ruth Wayman won prizes in the games. Lunch consisting of sandwiches, pickles, jello and coffee was served by the hostess. The next meeting will be at the home of Stella Miller on December 17. Pleasant Day Project Club The Pleasant Day Club held their Nov. 11 meeting with Mrs. Henry Vequist. All members but one were present. Mrs. Austin Hynes was a visitor. After a covered dish luncheon the meeting was called to order. Each member answered roll call by demonstrating or telling how to make some home-made Christmas gift. There were several good suggestions. The leaders then took up the lesson of "Health on the Home Front," which was read and discussed. The next meeting will be held on Wednesday, December 2 with Mrs. Albert Widtfeldt.
