The Ordeal of the Family Budget

PITY the poor budget! Even under peace-time conditions he leads a strenuous life, but now he's really under fire. Ten percent for War Bonds, a big slice for taxes, ever-growing pressure from the rising cost of living — and on top of it all provision must be made for regular bank deposits. Impossible? No it isn't, if you face the grim facts that this is war, and that you must make sacrifices and give up things you thought essential. Organize our budget for victory without delay.

OUTLAW MARKETS

RED HOT OUTLAW NEWS

Your new ration book is coming about Jan. 1. 150,000,000 have been printed. It will contain 8 pages of 24 coupons, total of 184 coupons.

You as a civilian will have many of your foods rationed. It is planned to ration meat, milk and its products, butter and canned goods.

There will be much less of many things to eat. You will be urged to eat more whole-wheat bread, less white bread. You'll find milk and its products far less plentiful. You will be pinched in meats and canned goods.

Baby foods will equal 1942. That will be important in view of the big baby crop.

All in all, the food situation is to tighten markedly during 1943. The grocery stores over the nation are emptying very fast. Few replacements can be had.

VISIT OUR STORE NOW while we have lots of goods and while the wholesale houses are keeping us in hot water for money. The finest brands of canned goods — Libby's, Yellowstone, Blackbird, Lushus — lowest prices in the state.
