AAA News Notes

President Roosevelt has proclaimed January 12 as Farm Mobilization Day and has asked that committeemen gather with Department of Agriculture and other agricultural representatives that day to discuss ways and means of insuring maximum production of vital foods in 1943.

The President said: "I should like Farm Mobilization Day to be a symbol of a free America; a symbol of the might and productivity of our nation; and a symbol of our unalterable determination to put to full use our agricultural resources, as well as to other resources, in the achievement of victory."

The Holt County USDA War Board, composed of representatives of all Department of Agriculture agencies, is swinging into action on the 1943 farm war front following a district conference held for county War Board members of six counties and districts in this area at Ainsworth on December 21. Preliminary Farm Mobilization Day plans were discussed at that meeting, along with plans for complete mobilization of Department of Agriculture services for farm families producing food for war.

In many counties, Consumers Public Power District ranks high on the list of "largest tax payers in the county" while in some counties Consumers IS THE LARGEST TAXPAYER. Consumers is happy to assume its share of the support of these worthwhile functions in order to make the communities it serves electrically finer places in which to live.
