Federal Income Tax Material, Number 2

Persons subject to the Federal income tax must report their income to the Government on forms, or blanks, prescribed by regulations. These forms are obtainable from any Collector of Internal Revenue, and generally from any bank. Special forms are designated for corporations, for partnerships, for trusts and fiduciaries, and for non-resident aliens. Farmers who keep no books of account on the accrual mas. A taxpayer should, therefore, consider carefully which form would be appropriate for his purposes. Whichever form is employed, all the information called for in the spaces should be inserted so far as applicable to the taxpayer, in order to avoid the expense to the Government, and the possible inconvenience to the taxpayer, of subsequent check and

With each return form is a set of accompanying instructions, and these instructions should be carefully read by the taxpayer before

making his return. Returns for the calendar year 1942 must be filed not later than March 15, 1943. They may be filed by mailing to the Collector of Internal Revenue of the appropriate district in which is located the legal residence or principal place of business of the taxpayer. If the return is filed by mailing, it should be posted in ample time to reach the Collector's office on or before March 15, 1943. Returns received later than the date due are subject to a penalty variable according to the lateness in filing.
