Food producers need to save all the time they can these busy days. Telephone calls that save trips, also save time, tires and gasoline.

Every farm line user can help in these ways:

- 1. Keep Conversations Brief so that your line will be available for farm business when needed.
- 2. Try Not to Make Unnecessary Calls so that no one will have to wait long to make important calls.
- 3. Keep Receiver on Hook When Not in Use so that the line is not busy unnecessarily and so that those telephoning can hear well.
