Today you not only buy for lasting style, but seek quality, durability and wearability in every apparel purchase. As always you want the coat that will enhance your appearance, but it must be backed up by fabrics that give longest wear, designed to make it a 24-hour duty garment. These are the golden rules of wartime buying, standards by which you can measure our coat collection.

THIS is the most costly war of all time and everyone of us might as well recognize the fact that we will be paying for it for years in the form of higher taxes.

Our advice is this: Make taxes part of your budget. There are many reasons why you should provide for taxes in advance-but the best reason is that it's plain common sense. A bank account provides a convenient way to accumulate tax money.
