# Yanks Hunt Little Men Who Weren't There

For the first time in this war, Japanese forces fled from a base without offering any resistance, and American-Canadian troops took over the Aleutian island of Kiska pictured above. This victory frees the North American continent from an immediate Japanese threat. The enemy at one time was reported to have 10,000 troops on Kiska. As in the Sicilian campaign, the area was shelled and strafed heavily by ships and planes. On 15 occasions naval surface units stood off shore and poured 2,300 shells into Japanese positions. Within 14 days various types of Allied planes raided Kiska 106 times, subjecting Japanese forces to the heaviest bombings carried out against them so far.

## SLAVE TO PURGATIVES FINDS FREEDOM!

Feels 20 Years Younger, He Says!

Everyone who has despaired of ever finding normal regularity should read this unsolicited letter:

"Six years ago, I was quite constipated. I'd taken many so-called 'cures', but it was the same old story. It seemed that each dose had to be stronger than the last. Then, I tried KELLOGG'S ALL-BRAN. Soon I was 'regular' again, with none of the old gripping pain. I'm 50, but feel younger than 20 years ago when I was a victim of common constipation." Mr. A. Bousfield, 426 S. Yilla Avenue, Villa Park, Ill.

What's the secret of such reports of ALL-BRAN's wonderful results? It's simply this: Lack of certain cellulose elements in the diet is a common cause of constipation. Scientists say KELLOGG'S ALL-BRAN is a rich, natural source of these elements—which help the colonic flora do their job—lightening and fluffing the accumulated waste for easy, natural evacuation. ALL-BRAN is not a purgative! Not roughage that acts by "sweeping you out"! It's a gentle-acting, "regulating" food! Eat ALL-BRAN regularly. Drink plenty of water. See if you, too, don't find the relief you've dreamed of! Insist on the genuine ALL-BRAN! It is made only by Kellogg's in Battle Creek.
