Come in and see us. We have just painted the hatchery inside and out. We have everything a chicken and turkey raiser would want. We have a complete line of **EQUIPMENT AND REMEDIES**

ATTENTION! TURKEY RAISERS!

**Our First Hatch of Turkeys Will Be Around
the First of March**

We are getting our eggs from local breeding flocks, and we have our own breeding farm, one of the largest and most modern turkey farms in Nebraska. Also importing eggs from California and Oregon. We are going to have some of the finest Broad-breasted Bronze poults money can buy. So get your order in now for early poults.
