### State Goal In Bond **Drive Is Still Short**

Although the Fourth War Loan campaign closes officially on Tuesday, February 15, Nebraska counties that have been snow-bound ing the month of February for the past week will have an opportunity to complete their county canvasses.

W. Dale Clark, state chairman of the War Finance Committee for Nebraska, announced that sale of 'E," "F" and "G" Series bonds will count in the campaign, provided purchases are made prior to February 29 and if these additional sales are reported immediately to the Federal Reserve Bank in

"Many Nebraska counties are over the top in their over-all quotas," said Mr. Clark, "however, sales to individuals and sales of Sunts. To Be Elected
