The demand for Storz Beer is so great today we sometimes can not fill all orders. For one thing, the government has limited malt supplies. To increase our production we would have to use less malt. That would lower quality. Storz would rather uphold its quality to full pre-war level. When you ask for Storz you expect it to have that famous old slow-aged flavor. We are not going to disappoint you.

GRANDMOTHER'S BOND WITH THE FUTURE - WAR BONDS

EMBLEM OF THE GRANDMOTHERS LEAGUE

WASHINGTON, D. C.: "Grandmother's Bond with the Future - War Bonds" is the slogan of the Treasury's new campaign urging grandparents to buy Bonds and stamps for their grandchildren. The official emblem is the old-fashioned sampler reproduced above.

The Grandmothers League was founded by Mrs. George C. Marshall, wife of the Army Chief-of-Staff, who bought Bonds from Secretary Morgenthau for her three grandchildren. Mrs. Marshall suggests that grandparents insure their grandchildren's future by buying Bonds or starting stamp albums for them.
