#### KNOW YOUR STATE TRAFFIC LAWS

Traffic accidents have a tendency to go up as the temperature goes down. One cause of many of these accidents is that of improper parking on the highway to clean off frosty windshields.

If you have to make a stop on a highway the law reclaims you to

If you have to make a stop on a highway, the law requires you to get all wheels off the main traveled portion of the highway. As an added tip, it would be well to use every precaution possible when standing beside the car to clean the windshield or adjust the motor. You must not stop or park a car in any of the following places: Within an intersection, in front of a private or public driveway, or within fifteen feet in either direction of a fire hydrant.
