NEED 11,200 MEN NEXT 6 MONTHS IS SERVICE ESTIMATE

Farm Men 18-25 Expected to Furnish 5.100 of Quota

will need approximately 11,200 men he meet the general military serarmed forces, Brig. Gen. Guy N. Henninger, state director estimated recently on the basis of present

It is expected, the general said, that these inductees will come from the following sources:

New 18-year-olds From Farms, ages 18 through 25 5,100 From industry, business, ages 26-29 2,000 Men ages 30 through 37 2,000

General Henninger gave the following explanation regarding these man-power sources:

The 18-Year-Olds It is estimated that 3,900 Nebraska youths who attain the age of 18 during the first six months
