**'Born Unto Trouble'**

By ROMAIN SAUNDERS, Special Correspondent

From out of the mists of more than 34 centuries the words of a Termanite philosopher haunt the race: "For man is born unto trouble as the sparks fly upward."

Three tassel-headed youngsters passed me as I turned down a side street. A half block below a little girl lingered in front of her home. A childish appeal in soft brown eyes that were about to overflow with tears, and I paused.

Here was a little miss, with the qualities of a lady, who had just made the tragic discovery that she had been "born unto trouble as the sparks fly upward." The three I had met rudely stopped this little lady as they passed. An expression of the bully instinct, the indefinable depravity that would crush an inoffensive fellow creature, or maybe a bit of fun heedless of inflicting pain, and a sweet little child was made to suffer.

Somehow she had learned that rude conduct was not right and expressed her opinion of those three youngsters in one word: "naughty."

A few kind words and a coin mended the little broken heart. Born to trouble. Much of it comes from thoughtless words and acts, leaving wounds where may have been intended a soothing touch.

"These clumsy feet, still in the mire,  
Go crushing blossoms without end;  
These hard, well-meaning hand we thrust  
Among the heartstrings of a friend."

**Why Some Long Distance Calls ARE STILL DELAYED**

**Vacation travel and the marketing of the newly harvested grain crop are adding a great volume of long distance calls to the already crowded lines. Because of this many calls are being delayed.**

Although the shortage of materials is hampering us, we are adding new facilities as fast as we can get them in order to bring long distance service back to pre-war quality and even better.

This will take time so when you find the lines are extra busy, your patience will be appreciated.
