

BREAKS AIR SPEED RECORD . . . Lt. Wm. J. Reilly, San Francisco, winner of feature race at the National air races held at Cleveland. He piloted his P-50 jet craft to an average speed of 578.36 miles an hour. Reilly is shown receiving the trophy from Albert J. Weatherhead Jr. Many other records fell during the postwar air show and races. Cleveland plans to make this an annual event. Hundreds of thousands visited Cleveland to watch the big races.

DIRECT ACTION . . . William G. Williams, 70, Washington, D. C., the consulting engineer who as a "plain citizen," protested plan to ship material to Yugoslavia and found his action started movement for new organization, "Direct Action."

MODEL WINNER . . . Milton L. Guguet, Chicago, who won the grand champion trophy at the national model airplane meet held at Wichita, Kans.

TWINS ELECT TWINS PREXIES . . . The nation's twins at their Grand Rapids, Mich., convention elected the Hick twins, Emory, left, and Ernest of Birmingham, Ala., co-presidents of the association. Receiving the gavel from Chicago's twin policemen, Warren and Chester Doonan, right, who held the gavel as co-presidents of the International Twins association for the past five years, the Birmingham twins dedicated their efforts toward more and better twins in 1947.

ADVENTUROUS? GO CLIMB AN ALP! . . . But you won't have to go to Switzerland to do a spot of Alpinering. Mountaineers from all parts of the United States and Canada do it in the Canadian Rockies, and they say the thrills are worth all the efforts. The Bugaboo glacier in the Purcell range of British Columbia is tougher than many Swiss Alps and unmatched in grandeur. Here is Maj. Rex Gibson, one of Canada's ace Alpinists, chopping footholds.

STOP RELIEF! . . . World War I food czar, ex-President Herbert Hoover, as he called for an immediate stoppage of relief supplies to Yugoslavia. He termed that nation's shooting down of American planes, "a poor token of gratitude."

BELL TO HONOR HERO . . . A pig-tailed little girl is reading the inscription on the bell whose tolling will be a ringing memorial to the late Gen. George S. Patton, former commander of the U. S. 3rd Army. It was presented to St. John's Episcopal church, Beverly Farms, Mass.

DAVIS AND BLANCHARD AGAIN . . . The Army's touchdown twins, Glen Davis, left, and "Doc" Blanchard, demonstrate how they plan to shake the opposition during the coming football season. They were snapped during practice at the United States military academy, West Point.

TUTOR JAP PRINCE . . . Mrs. Elizabeth Gray Vining, Philadelphia teacher and author, who was selected as a tutor for Crown Prince Kotaihl Akihito of Japan. She was selected by the U. S. state department.

BIG FOUR AT PARIS CONFERENCE . . . During the Paris peace conference, representatives of the Big Four hold special sessions to determine policies. French Premier Georges Bidault serves as host to representatives of the United States, Russia and Great Britain. Sen. Tom Connally, Sec. of State James F. Byrnes and Sen. Arthur H. Vandenberg are shown at extreme right.

THIS STRIKE MET WITH FAVOR . . . No need for these students to wish that the school house would burn down. The teachers at Norwalk, Conn., went on strike. No teachers, no school. Vacation days can begin again. Here Rudy Baxa, custodian Norwalk Center Junior high school, tells the students to go home. Bone of contention for the teachers is that \$90,112 be added to the \$813,000 school budget for pay raises for the 236 teachers. This is one strike where those who are concerned are willing that it be continued for some time.

BRITISH PROPOSAL

JEWISH PROPOSAL

PROPOSED PLANS FOR JEWISH ZONE . . . Some 1,800 square miles in Palestine would be granted the Jews under a reported American compromise which President Truman is believed to favor and which has been favored by the Jewish Agency for Palestine. The new plan also would demand Jewish and Arab autonomy in their respective areas. Above left is the Palestinian division originally proposed by the Anglo-American cabinet committee and backed by Britain. At right is the approximate division under the plan favored by the Jewish agency.

TERMINAL LEAVE SIGN-UP . . . Flood of 10,000 veterans at Los Angeles office to obtain the first terminal leave forms available in Southern California is shown in above photograph. This rush was typical of that to be found in nearly every city in the United States. The forms were printed locally through special arrangement with the war department, and are identical with those issued by the government. Bonds will be issued for amount of pay due.

MISS SHANGHAI . . . Not to be outdone by the selection of "Miss America 1946," Miss Wong Yung-Mai, poses in the approved manner after she was chosen "Miss Shanghai of 1946," at the contest staged in the Chinese city for relief funds.

ATOM FOR PEACE . . . Dr. William L. Doyle, University of Chicago, measures out a tiny amount of radioactive carbon. First shipment from U. S. atomic laboratory, Oak Ridge, Tenn., is designed for diseases experiments.

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.
You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won country-wide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.
