Suzanne Moss, Troop Scribe
We had our second first aid lesson Sunday. Dr. W. F. Finley taught us how to put on bandages. We practiced bandaging each other. We did not have our meeting after class because some of us wanted to go to the basketball game. We will have it next Sunday.

Notice of importance: Girl Scouts, who want to take first aid, be at St. Mary's next Sunday at 2:20 p. m. Don't be late!

Publicity Release

DEARBORN, MICH. — February 17, 1947: Current purchasers of new Fords, Mercurys and Lincolns are receiving 1947 titles, J. R. Davis, vice-president and director of sales and advertising of the Ford Motor company, announced today.

"So-called face-lifting, resulting in slight appearance changes, is not necessary to designate a yearly model" Mr. Davis said. "It is up to the manufacturer to designate changes for the purposes of registering a car as a 'yearly model.'"

"We have done this so current buyers of Fords, Mercurys, and Lincolns will get the benefit of 1947 titles, thus protecting them on used car valuations in the future when such models are traded for new cars."
