STEALERS CAUGHT BLACKHANDED

When the body is cold and miserable, the sense of distinction between "mine" and "thine" becomes nonexistent. Small wonder then that in coal-starved Europe the stealing of coal is no longer regarded as reprehensible. Shown here is a raid by women and children on coal cars at a siding near Frankfurt, Germany.

Helping Hand Meets—
 AMELIA—The Helping Hand club met with Mrs. Etta Ott last Thursday with nine members present. After a dinner, the afternoon was spent visiting. The next meeting will be with Mrs. Lee Gilman on May 8.
